May Board Meeting

We will start planning for next year.

- Jane will bring a list of our fixed fees. This will help us determine what we can afford to do next year.
- We agreed that we would like to go forward with the Grant Julia started. In order to do this:
 - We need a list and cost of materials needed.
 - Determine who the target audience is: teachers, students, or the general public.
 - Where we should have the class.
- Fall Show
 - We need a judge for the fall show. Jan is working on this.
 - How will we cover the cost of a judge?
 - How should we award prizes? We decided cash/check would be easiest.
- We decided to continue the door prize next year.
- Next year we will determine if we should continue as a non-profit.
