**Board Meeting**  
**February 14, 2023**

This was a zoom meeting.

**Attendees:** Jane Copeland, Jan Frazier, Julia Fletcher, Debbie Pridgeon, Esther Jones, Therese McHugh

**Absent:** Cynthia Bsaibes, Julia Choate

Meeting began: 7:00

**Treasurer** reported there is a balance of \$5,215.33. The remaining balance of the technology donations are \$126.33.

**Workshop Chair, Julia Fletcher** reported that Christine Swann will be the judge for the fall exhibit, and she will offer a 3 day workshop. The details of her travel and payment are being worked out. The cost of the workshop for members will be approximately \$375 - \$400.00.

**Exhibit Chair, Jan Frazier** will find out the exact dates of the airport exhibit so that the dates can be added to the CTPS calendar.

The library show's theme is impressions of Georgetown. She will put together a prospectus, and ask for complementary themes to the Georgetown theme for those that don't live in/near Georgetown.

**April Board Elections**

- Jan reported that Kathy Meador has shown some interest in the Programs position.
- Jane suggested that the hospitality position, now filled by Julie Choate who cannot attend Saturday meetings in person, might be better served by a member who does attend and can manage the coffee service and DVD lending library.

**Tech Pro, Esther Jones** reported that the Zoom equipment purchases are complete.

**Fundraising:** The proposed Studio Tour fundraising event was dropped due to other activities coming up, (workshop and 2 shows). Jane suggested that we ask Debbie Bean if she would be interested in working on a fundraising idea since she managed a fundraiser in the past.

**New Business**

Jane participated in a Zoom IAPS Presidents' Meeting. Now she is part of a group website for communicating ideas among presidents.

Meeting adjourned at 7:35.
