

**CTPS General Meeting  
May 18, 2024**

The last general meeting for this year was held at Jane Copeland's home. We had time to socialize, enjoy good food, and critique members' paintings. We thanked Jane Copeland for her years of leadership. She saw us through Covid, and helped us emerge from isolation. We welcomed our new president and new program chair: Alora Johns, and Sherry Fields, respectively. We are looking forward to another terrific year. We hope to see members at meetings that will resume in September.
