**Base repair (filling with Ptex) : Prices vary by amount of work.
Will quote the repair on seeing the work that needs to be done.**

You authorize us to work on your skis or snowboards and release any liability for work performed on skis or snowboards. If we are unable to tune or repair your equipment, based on condition of skis, we will notify you and recommend other options. We will do our best work and ensure your skis are tuned to perform optimally, but we can't guarantee they will be like new.

Our turn around time is usually 24 hours, but we promise to have them done in 48 hours. We will notify you once completed.

Thanks for trusting us with your ski equipment.
