

Sacred Heart Academy

St. Patrick School

Celebrating 125 Years

The alumni committee needs your help in preserving the history of our wonderful school. If you, your child/children, or someone you know graduated from or attended one of these schools you might just be the person we are looking for to help us.

Please fill out the form below with the information we need or forward it to your family members and former classmates that you are in touch with so we can update our database.

Once you fill out this form you can return it by mail, the school's email (school@stpatrickfranklin.org), putting it in the church collection, dropping it off at the school, or the parish office.

THANK YOU

**for your help to preserve the history of
Sacred Heart Academy and St. Patrick School!**
