BE PATRIOTIC AMERICANS Pastor Weinkauff

Have you ever pondered the incredible gift that God has placed you here, of all places in the world and times to be born, to be an American? God help us that in thanksgiving for all His grace and gifts that we not take this for granted. Driven by thanksgiving, that we live of this God-given vocation as Americans and our vocations as good citizens.

As patriotic Americans, render unto Caesar the things that are his as your civil, patriotic, and solemn duty. Don't cheat on your taxes. Don't sit at home while others cast their ballots for people and referendums. Don't be a silent minority or majority but engage the issues, causes, and conversations of the public square, guided by principle and faith as well. Show forth good citizenship as best you can unless to do so would violate God's law.

As patriotic Americans, teach your children our history and urge them to give nothing less than their best for the cause of liberty, the rule of good law, and the common good. Teach your children the sacrifices of those who went before them on lonely beachhead, in jungle heat, on thunderous wave, and cloudy sky to protect, preserve, and defend our freedom. Teach your children not to squander this legacy of liberty in the pursuit of selfish endeavor or to justify lustful desire but to pursue it with honor, integrity, and virtue. Teach your children to honor the flag. Teach your children how the government works and prepare them for their own time when they must pass the torch to their own sons and daughters.

As patriotic Americans, defend of the defenseless, the protection of the vulnerable, the cause of the unborn, the aged, and the infirm. Honor every life as precious gift of our God. Refuse to allow life to be valued by money, individual choices, or the government.

May God be praised for this land He has given us our heritage and this country of 250 years, and give thanks and honor the men and women who served and sacrificed for our nation in the freedoms and life we celebrate.

LUTHERANS
FOR LIFE

LutheransForLife.org

"The Fourth of July is an ideal time to thank God if you have a good homeland ... or in the U.S., a free country. What a blessing! Just like Job or Jonah, this isn't the case for everyone. And we should continually pray for those whose homelands or countries are ravaged by war, politics, or disease. Praise God for giving us a country where we can worship Him and live our lives in relative freedom and peace."
