The Aurora Technical Group – what we do

The Aurora Group is committed to facilitating electronic/mechanical component solutions **for OEMs/CMs/Engineers and Manufacturers.**

We accomplish this by:

- Providing technical information/advice and support of quality manufacturers
- Guiding through technical challenges with new and existing products
- Offering component supply liaison/quotes/orders/samples/expediting

Aurora Technical Group – Southeast Team

[NC, SC, GA, TN, AL, MS](#)

Rick Vairo
rvairo@auroragroup.net
President & Management

Aparna Sproelich
asproelich@auroragroup.net
VP, Southeast Team Management
& Business Development NC/GA

Cathy Hill
chill@auroragroup.net
Inside Sales Manager

Ken Jacobson
kjacobson@auroragroup.net
North Carolina
Business Development

Bob Kirkland
