The Men and Women of the Constitutional Republic of  
the United States of America

Vs

The New World Order One World Government Agenda and its Conspirators, Co-Conspirators,  
Proponents, Participants, and Agitators

To Wit:

We the Men and Women of the United States of America, a Constitutional Republic, demand that the Governors of every State, being the highest authorities therein, adopt and enact this Declaration Of Opposition Against The New World Order One World Government Agenda and hold every Man, Woman, Artificial Intelligence, Spiritual or Alien perpetrator who is responsible for its manifestation, invocation, implementation, and purpose criminally liable. The list of perpetrators who must be named as guilty and criminally culpable enemy conspirators, co-conspirators, proponents, participants, and agitators should include the following: Claus Schwab, Bill and Melinda Gates, Anthony Fauci, Deborah Birx, Joseph R. Biden, Barack Hussein Obama (Barry Soteros), Bill and Hillary Clinton, George W. Bush, Nancy Pelosi, Chuck Schumer, and a growing number of others (TBA).

The New World Order One World Government Agenda is responsible for the breaking down of Sovereign Nations throughout the world through fallacious and felonious political and military meandering. It is the intent of the New World Order One World Government Agenda to establish total monitoring, manipulation, and control, over every person on earth through technological means. This will include social media monitoring and censorship, a social scoring system, and a worldwide cryptocurrency banking system. These technologies are intended to, and will, provide the families who own and operate the New World Order One World Government Agenda with the ability to deprive Men and Women of their personal and private property, liberty, freedom, and financial sustenance.

There exists ample evidence to show that the New World Order One World Government Agenda through its criminally culpable conspirators, co-conspirators, proponents, participants, and agitators have been producing biological weapons in laboratories to thin out and cull the current population upon earth. They have been using the CONCEPT of "viruses" as "invasive, infectious, contagious, microbial creatures" as a frontal media-driven cover story to get away with their crimes against humanity. Much, but not all, of the evidence has been compiled and published at: [TheBigVirusHoax.com](http://TheBigVirusHoax.com)

It is our position that communists have infiltrated and hijacked the government of the United States of America. They are bribing, buying, paying for, and blackmailing our elected government officials to achieve their objectives in establishing a New World Order One World Government. They have established a rigged voting system within the United States of America and throughout the world via technological manipulation of computerized voting machines.

If the Governors of the States do not concur with our position that the government of the United States of America has been infiltrated and hijacked by communists who are endeavoring to establish a New World Order One World Government, and they do not take action by using any and all means necessary, including political, judicial, and military interventions, to stop this New

World Order One World Government Agenda by taking into custody and criminally prosecuting the criminally liable conspirators, co-conspirators, proponents, participants, and agitators, then we, the Men and Women of the United States of America, per the Declaration of Independence, the Constitution of the United States of America, U.S. Codes and other Laws, will be authorized and required to organize ourselves and take whatever action is needed to defend the Republic and our Liberties, Freedoms, and Livelihoods. We will hold all negligent Governors responsible and declare them to be enemies who are working in concert with the New World Order One World Government Agenda.

As Men and Women in the State of \_\_\_\_\_, we hereby submit this Declaration of War to our Governor \_\_\_\_\_. We respectfully request and require your acceptance or rejection of this Declaration of War.

I, \_\_\_\_\_, the Governor of the State of \_\_\_\_\_, acknowledge receipt of this Declaration of War against the New World Order One World Government Agenda.
