

ONE TRACK MIND FUNDRAISING INITIATIVE

September 23-October 5, 2022

Will You Help Us?

This is our BIGGEST fundraising event of the year. We've got a ONE TRACK MIND! This year we have a lofty goal of raising money to build a circular track around the field on our lower playground. The track would be utilized by ALL students at PMES. It would also be the only paved hard surface area on the lower playground. During the last two years we have strived to add structures to the school that can be enjoyed by all students, and a paved track would be a great addition!

We're not gonna lie! This is a HUGE goal, and we would love to raise all the money to add the track this year! This all depends on YOU! We would love to see all the students at PMES running, walking or wheeling around the track this spring!

TURN IN DAYS

We will hold five turn-in days* on which students can bring in any funds raised. When a student turns in \$20 or more on a given day, the student will earn the daily prize and be entered into a drawing for a chance to win exciting rewards! The turn in days will be:

- Monday, September 26;
- Wednesday, September 28;
- Friday, September 30;
- Monday October 3; and
- Wednesday, October 5.

*For online donations, we use 8:00 a.m. on turn in days as the cut off to be eligible for daily prizes.

Here's how our fundraiser works:

Raise Funds

We're asking families to raise funds in the way that works best for you. Some students hold bake sales, walk dogs or do household chores. Some families ask relatives or neighbors to contribute toward their goal.

How to Donate

We have two ways to donate this year.

Option 1: We are excited to offer an **online option** for making donations! We have partnered with Get Movin' Fund Hub to provide a personal online experience that you can tailor to your child. You will create a page for your child that you can send to family and friends to help broaden our donation base. If you have multiple children at PMES, you can either create a page for each child or one family page. Online donations are treated just like turned in cash or check when awarding prizes! There is a \$10 minimum for online donations.

Follow this link to setup your personal online donation site:

You can also scan this QR Code to get started:

Option 2: Each student will also receive a fundraiser envelope. On turn in days, students will place their envelope (with cash or checks) in the fundraiser basket in their classroom.

Students may choose to utilize both envelope and online donations.
