Welcome to the 2023-2024 PMES Business Partner Program!

As we move into a new school year, PMES strives to continue to partner with local businesses, working together to create connections that result in a stronger community as a whole. This school year we will offer programs and/or events for business partners to be a part of with opportunities for interactions in the community with our Hawk Family.

What will remain the same?

- Spirit Nights for our Platinum partners (when permissible)
- Advertisement on our grade level shirts
- Advertisement on our social media sites

This school year we will continue to offer the opportunity to send home flyers to all families through our quarterly distribution*, as well as advertise in the PTA digital newsletter and through the PMES PTA Facebook page.

(*set for September, December, February, & May)

Businesses will be given the option to change their messages or coupons to our families in each digital and flier distribution.

PMES looks forward to partnering with you to help build a stronger community!

Please see the attached contract and spreadsheet for Business Partner Sponsorship Levels and what they include.
