An early start for an unforgettable whale-watching tour off the coast of Mirissa. Afterward, we relax at Mirissa Beach, visit Coconut Hills for scenic views, and explore the colonial-era Galle Fort before heading to our hotel in Negombo.

We take a morning flight to the Maldives and transfer by speedboat to Gulhi Island, where paradise awaits! Enjoy a free afternoon or an optional snorkeling excursion before a sea-view dinner.

Make the most of this tropical paradise with optional excursions like swimming with nurse sharks, stingrays, parasailing, and sandbank picnics. Enjoy stunning beaches and crystal-clear waters.

After breakfast, enjoy your final hours in the Maldives before taking a speedboat at 17:00 back to Male Airport for our flight home.

We land back in Malta at 08:45, carrying memories of an unforgettable journey!
