EMMAUS MORAVIAN CHURCH REQUEST FOR PROPOSAL RFP#2022-001-MCVIC-A/E SERVICES

A. INTRODUCTION

The Moravian Church Virgin Islands Conference is soliciting the Services of a qualified Architectural and Engineering Firm to Evaluate the Hurricane damaged Sanctuary structure of **Emmaus Moravian Church** located at **#10 Estate Emmaus, St. John, Virgin Islands** and develop a design to restore the structure to pre-hurricane damage conditions, all necessary structural and historical aesthetic repairs to include any and all mitigation design measures to prevent or reduce damages in the event of future disasters in compliance with all required provisions in the Virgin Islands code and any applicable Virgin Islands governmental codes and regulations and/or federal codes and regulations applicable thereto.

Please submit in detail the Scope of Services as an attachment to this document, as it pertains to the Scope of Work provided by the Federal Emergency Management Agency (FEMA) as per Attachment A.

Context

In September of 2017, St. John sustained a direct hit from Hurricane Irma. The hurricane inflicted devastating damage to Emmaus Moravian Church located at **#10 Estate Emmaus, St. John**. Through this Request for Proposal (RFP), the Moravian Church Virgin Islands Conference (MCVIC) is soliciting proposals from licensed and qualified Architecture and Engineering (A&E) firms for the design for repairs to our sanctuary as described further in this RFP. This project will be largely funded by the Federal Emergency Management Agency (FEMA) and will be governed by the terms and conditions for federal grants.

Moravian Church VI Conference Background

The Moravian Missions Worldwide started in 1732 on St. Thomas Virgin Islands. At the time of the establishing of Bethany Moravian Church in 1754, the Moravian Brethren sought to expand their missionary activity to other areas of St. John. In 1782, it was possible after Thomas de Maiville acquired the Estate Forsynet (Providence), who gave it to the Moravians, who named it Emmaus. The initial Sanctuary was destroyed from a hurricane in 1916. The structure was and rebuilt and rededicated in 1918.

The Moravian Church VI Conference (MCVIC) is a religious organization that was established and registered as a Domestic Non-Profit Organization in 1965. The Moravian Church VI Conference has oversight and management of all the Moravian properties within the Virgin Islands. The Emmaus Moravian Church is one of the two congregations on St. John which received the most damage from Hurricane Irma. Emmaus was the second Moravian mission on St. John.

The Moravian Church VI Conference is run by an Executive Board where the appointed Superintendent serves as the Chairman of the Board. The Superintendent is responsible for the day-to-day operations of the Conference which is managed through offices on St. Croix and St. Thomas. All the Properties owned in the Virgin Islands are managed by The Conference Office with the assistance of the Property Manager, Samuel Rymer.

The Moravian Church VI Conference is a registered non-profit organization. Its main source of funding is through our congregational tithes and offerings and our commercial properties. The funding that will be utilized for the services provide will mainly come from the FEMA PNP Grant at 90/10 cost share.
