

Matrix Metals Manufacturing
A Teknik Services Company

QUALITY POLICY

Our Goal is to be the Preferred Supplier of
Choice by Providing Exceptional Product
Quality and Service

We promote the culture of continual quality
improvements and the philosophy of getting
things “Right the First Time”

We continuously evaluate and improve QMS
and its effectiveness

We encourage employee growth by providing
the necessary tools to succeed

We foster the exchange of ideas and innovation

The Management team of Matrix Metals
Manufacturing is fully committed to meeting or
exceeding customer, statutory, and regulatory
requirements
