Letter from the Worthy President

Brothers & Sisters

On New Years eve there was a major power disruption in The Nelscott area sending over 20,000 volts through the power grid causing major damages to over 200 homes and business in the area. Here at the lodge we lost the electrical controls to both of our furnace heaters plus the dishwasher in the kitchen, due to the lack of heat the lodge was closed for several weeks waiting on costly repairs. I am pleased to say that most of the repairs have been completed and that we have reopened. Please check your calendar for upcoming events in the last part of January and throughout February. On February 13th we will be hosting Oregon State Worthy President Dan Winings on his visitation. Saturday the 14th of February Doug and Theresa Nash will be Celebrating their anniversary from 3:00 to 9:00 P.M. Saturday the 28th there will be a celebration of life for long time member Darlene Van Valin she was an avid volunteer.

See you at the lodge
