Truffle & Silk

International Chocolate Experience

A Symphony in Cocoa

About us

Born from a passion for the world's finest cacao, Truffle & Silk is a sanctuary for chocolate lovers. From the plantations of Madagascar to the chocolatier of Belgium, every creation is slow-crafted, single-origin, and quietly unforgettable. The name is our promise: "Truffle" for the delicate, hand-rolled centres we craft fresh each morning, and "Silk" for the glossy Belgian couverture that enrobes them a higher-cocoa-butter chocolate, tempered by hand to a mirror finish that melts at the exact temperature of a kiss.
