

Scattered

INTRO - Bm G D A

Verse

We are scattered
To the ends of the earth
We are driven
By Your Spirit and birth
To claim Your power
Mighty Jesus, You're Lord over all

Chorus

Without fear we will proclaim
And go out in Jesus name
To the people of this age, and every nation
Let the scattered embers blow
To the ends of earth below
To the people of this age, and every nation

Verse 2

We are captured
By Your all saving light
Keep us moving on
By Your wisdom and might
In a broken world, may Your name be lifted on high
