*CUSTOMER SUPPLIED STOCK: BCT will not honor any refund or credit over \$25.00. There is risk involved with customer supplied stock and BCT does not guarantee that all paper is printable or printable with thermography. Please provide 25% more stock than the finished quantity desired to allow for waste.

Not responsible for typographical errors in this book. Prices and stocks are subject to change without notice.

Both offset and digital production methods are being used for optimal quality and price.

ORDERING INFORMATION

www.BCTOhio.com or www.BCTMichigan.com

Our company websites allow you to easily place your orders, check your job status, request a quote and access BCT forms and price lists. Easily upload your camera ready files to submit your orders.

Our original template based online ordering sites can be designed for use by your customer. As the single most widely used solution for corporate stationery ordering in North America, it is built to empower and support your business customers.

IMPORTANT: All published prices in this pricebook are based on receipt of print ready PDF files.

Also available: Email, Fax, Mail

Orders can be submitted by Email, Fax, and US Mail. When submitting an order by these methods a completed BCT order form must be included. Please legibly provide all specifications for the job, i.e. Item, Stock, Ink(s), Quantity and number of sets. If emailing be sure to include the file name on the order form. If your order form does not include all the above information your order may be delayed.

SPOT COLORS

Standard Colors

Premium Colors

(Ink colors on this page are CMYK reproductions of Spot Colors)

A Note on Colors: There are many factors that may affect the color on your printed product. The colors above are a CMYK representation of spot colors and your printed product will not match the samples above exactly. Refer to a PMS book for a better representation of a color but also note that the color of the paper, whether it is coated or uncoated, and whether it is thermographed or flat will affect the color. Reorders may not be an exact match to a previous job. We will do our best to consistently provide a quality product but slight variations may occur.

*CUSTOMER SUPPLIED STOCK: BCT will not honor any refund or credit over \$25.00. There is risk involved with customer supplied stock and BCT does not guarantee that all paper is printable or printable with thermography. Please provide 25% more stock than the finished quantity desired to allow for waste.

Not responsible for typographical errors in this book. Prices and stocks are subject to change without notice.

Both offset and digital production methods are being used for optimal quality and price.
