

So You Think You Want To Be A Beekeeper

Are you or your family members allergic to bee stings?

Is your personality type calm? Think yoga or tai chi movements.

Do you have a place for your bees?

Food sources

Water

Sun

Wind protection

Easy access

What type of boxes are best for my situation?

Langstroth (traditional commercial hives)

Horizontal Langstroth

Top Bar

Warre (considered a vertical top bar)

How do I plan to extract honey?

Do I want to use foundation or let the bees make comb naturally?

What other products of the hive do I hope to harvest?

What equipment will I need?
