Region 9 Ranch Horse Versatility Championship

Terms & Conditions

The Region 9 Ranch Horse Versatility Championship sponsored by the Arabian Working Western Alliance demonstrates the athletic ability, versatility, and conformation of today's Arabian & Half-Arabian working performance horse. To qualify for Ranch Horse Versatility Championship awards, a horse & rider combination must enter all four classes in the Ranch Horse division during the 2022 Region 9 Championship Show held June 1st to 4th in Fort Worth, TX. These classes are: Ranch Riding, Ranch Rail Pleasure, Ranch Cow Work, and Ranch Horse Conformation. Awards for Champion, Reserve Champion, and balance of Top 5 will be presented in six categories: Arabian Open, Arabian AATR, Arabian JTR, HA/AA Open, HA/AA AATR, and HA/AA JTR.

Each category is calculated independently. Points will be awarded in each of the classes based upon the number of entries in each class. For example, if there are 30 entries in a class, first will receive 30 points, second place 29 points, and so on until sixth place receives 25 points. Horses in 7th to 30th place receive one point. Every contestant will receive at least one point for participating in the class. In a class of four horses, first place receives four points, second place gets three points, third place has two points, and fourth one point.

When there is a tie in a scored class the tabulation points will be added together for any ties and then divided by the number of entries tied. This includes first place ties. A run-off in any class to determine class winners will have no effect on points awarded for the Ranch Versatility award.

Exhibitors must complete the information below which designates their eligibility for the Ranch Horse Versatility award and pay a \$25 office fee for each horse/rider combination. Eligibility forms must be into Show Office before the start of show on Tuesday, May 31, 2022. No points will be awarded for horse/rider combinations without a completed eligibility form.

Riders may show multiple horses providing each horse has completed properly an eligibility form and paid the office fee. Additional forms are available at www.workingwesterncelebration.com and in Show Office prior to start of show.

In the event there is a tie in the final calculation of total points the tie will be broken in the following manner: (a) Actual scores from Ranch Riding. If the tie still exists then (b) Actual score from Ranch Cow Work. If a winner cannot be determined, then co-champions will be named with a coin-flip to determine prize winner.

Below is the USEF General Rule regarding SafeSport and the SafeSport Training requirement.

GR1303 Safe Sport Requirements

Consistent with the mission statement of the Federation, the welfare of equestrian participants, especially minors, is of paramount concern. When any member -- athlete, participant, trainer, coach, organizer, official, volunteer, or staff member -- is subjected to or engages in abuse or misconduct, it undermines the mission of the Federation and is inconsistent with the best interests of equestrian sport and of the athletes the Federation serves. The Safe Sport Policy and U.S. Center for Safe Sport's Code have been created to protect all athletes from misconduct they may experience within sport. The education and training of all participants in equestrian sport is crucial to the protection of athletes, reporting of misconduct, and eradication of abuse in our sport.

The U.S. Center for SafeSport (Center) is the first and only national organization of its kind focused on ending all forms of abuse in sport. As an independent non-profit headquartered in Denver, CO, the Center provides consultation to sport entities on prevention techniques and policies, while developing best practices and educational programs focused on promoting athlete wellbeing and putting an end to abuse in sports. The Center also provides a safe, professional, and confidential place for individuals to report sexual abuse.

The Federation Safe Sport Policy defines a "Federation Participant" as any Federation member, or non-member, who participates in or attends a Federation Licensed Competition or sanctioned event. The Federation's Safe Sport Policy can be found at www.usef.org and the U.S. Center for SafeSport Code can be found at www.safesport.org

A. Every Federation member and Federation Participant shall abide by the Federation's Safe Sport Policy and the U.S. Center for SafeSport Code, which can be found at www.usef.org and www.safesport.org respectively.

B. In order to comply with S. 534, the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017, the Federation Safe Sport Policy, and the U.S. Center for SafeSport Code, every Federation adult member and Federation adult Participant, with the exception of the victim, shall report suspected sexual misconduct, including sexual abuse, and suspected child abuse, within 24 hours to the appropriate authorities and to the U.S. Center for SafeSport.

C. Beginning January 1, 2019, every Federation adult member (18 years of age and over) with a "Competing Membership" shall complete Federation-approved Safe Sport Training in accordance with the U.S. Center for SafeSport's Education & Training Policies.

Motorized Vehicle Use:

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely

responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Non-Official Farriers / Veterinarians:

Non-official farriers or veterinarians may practice at this show if they check in at the show office and pay the vendor fee of \$400. Farriers or veterinarians that seek to conduct business at this show may be bound by the rules of USEF and AHA, thus making them accountable to USEF and AHA. Subjecting farriers to the authority of USEF's Hearing Committee or the AHA Ethical Practice Review Board permits USEF and AHA to sanction such individuals, if appropriate.

Parking at WRMC:

It is best if exhibitors come in on University to Trail Drive and enter at Big Arch gate #42.

There is a daily parking fee for all parking at Will Rogers Memorial Center, for both vehicles and trailers. Vehicle parking is \$5/day for a multi-day pass to hang on your rear view mirror. Single day parking pass is \$10. Trailer parking is \$5/day located south of Dickies Garage, gate #50. You can request a temporary pass to load/unload at the Attendant Booth, but then must purchase a parking pass for both vehicle and trailer if you plan to park.

There will be Parking Passes available in the Show Office – Each Owner will receive 1 (one) 5 day Parking Pass that is valid from Tuesday May 31 – Saturday June 4.

Vehicles and trailers found without the proper parking passes will be ticketed by the City of Fort Worth.

Responsibility:

All entries are accepted with the understanding that neither Region 9 AHA, nor the Will Rogers Memorial Center and the City of Fort Worth will be responsible for any loss, personal injury or damage to horses exhibited or for any article of any kind or any nature that may be lost or destroyed or in any way damaged. All horses shall be under the control and direction of the respective Show Committee but solely at the risk of the exhibitor who will be responsible for any loss, damage, or injury of any person, animal or property occasioned by him or his agents or employees, or by any animal owned or exhibited by him, and shall indemnify Region 9 AHA and the Will Rogers Equestrian Center and the City of Fort Worth against any and all legal costs, including attorney fees which may be the result thereof. The submitting of any entry form to the respective Show Secretary shall constitute an acceptance of the provisions herein set forth.

Sharps Containers:

Sharps containers will be placed for every fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. These containers when full will be disposed of properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments.

Horses with any communicable diseases must immediately be removed from the show grounds. **Note: All equine coming from a vesicular stomatitis virus (VSV) affected state must have a Health Certificate (CVI) issued within 14 days prior to entry and a VSV status for the premises or area should be recorded on the CVI**

Equine Vaccination Rule: GR845 Equine Vaccination Rule:

At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee. BOD 1/17/15 Effective 12/1/15.

Gate Calls:

Per USEF AR107.1: When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring, a warning is issued.

- a. Exhibitors will then have one additional minute to start the steady stream of horses into the in-gate.
 - b. If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed, and the class is deemed concluded.
 - c. Once the first horse has entered the in-gate, a steady stream of horses must be maintained.
 - d. Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed, and judging will commence.
 - e. A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e., two to four horse or horse and buggy lengths in between).
 - f. Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.
- The Paddock Master is the official timer appointed to enforce this rule. If a horse is showing as entered in a class but not present when the gate opens, the gate can only be closed prior to the end of the 2- minute call if the horse has been officially scratched [in the show office or by notification to the Paddock Master by owner or authorized individual/ trainer of entered horse].

Judging:

Breeding/In-Hand Classes: Regional halter classes will be comparatively judged, and placings determined by MOS, (see REQ 215) for Comparative Class Procedure.

Performance Classes: The MOS Scoring System will be used in all three judge classes, judges will be rotated in class order. Sport Horse, Dressage, Trail, Ranch Horse, Reining, Reined Cow Horse, Working Cow, and Herd Work classes will use the Single Judge System.

Leadline Class: Exhibitors shall be at least two years of age and have not reached their 7th birthday as of December 1, 2021.

Leadline exhibitors are exempt from the AHA Membership with Competition Card requirements and USEF membership requirements. **Exhibitors may only ride a horse properly entered in the show.** Leaders must be at least 14 years of age. The safety of all exhibitors must be of the primary consideration when conducting the class. Any action by any exhibitor, leader, or horse that endangers that exhibitor or leader may be eliminated. Safety is of the utmost importance in tack and attire:

- 1 - Saddle must fit rider
- 2 - Rider's feet must be engaged in the stirrups/iron
- 3 - Leading rein must be attached to a cavesson or a halter placed under or over the bridle
- 4 - It is strongly encouraged that the rider wears protective headgear with harness secured which meets/exceeds ASTM/SEI standards for equestrian use and carries the SEI tag
- 5 - Boots are required.

There shall be only one rider on each horse; stallions are prohibited. The recommended appointments and attire are those deemed appropriate for a pleasure type class.

Performance Halter Classes:

PERFORMANCE HALTER (Res. 10-15) Shows may use either "In the Ring" or "Exit the Ring" procedure as identified in the Halter section of the Arabian Division in USEF/EC. *This Show will use "In the Ring" procedure.*

Comp.508.6 Performance halter horses will be judged using the Arabian Performance Halter Score Card. At Regional Championships utilizing a three-judge panel, the scorecards will be turned into placings and in turn, run through the Majority Opinion System (MOS) to determine the Champion, Reserve Champion and Top Five (BOD 12/20)

AR223 Ranch Horse Cow Work (New Division Added This Year)

1. General Information

a. The ideal ranch horse must also be a cow horse and the purpose of this class is to demonstrate and measure the horse's ability to do cow work. It should have a natural ranch horse appearance from head to tail in each maneuver.

b. There is a time limit per horse/exhibitor team to perform the work and the time shall begin when the gate closes behind the cow after being let into the area. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work.

1. The Judge may blow a whistle at any time for the exhibitor to cease work for safety reasons.

2. Judges will give credit for what they have seen.

c. Only the judge may award a new cow to an exhibitor to replace a cow that will not honor a horse.

1. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work.

2. If the exhibitor accepts the new cow, the time for working the cow will start over.

3. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately.

4. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

2. Exhibitors in Ranch Horse Cow Work are allotted one minute and thirty seconds to complete the work. The announcer will announce, when there are thirty seconds remaining. At one minute and thirty seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; boxing the cow at the opposite end of the arena; and, then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a "fence turn," rather the drive down the fence demonstrates correct position and control around the corner.

Part One- Boxing the Cow: The exhibitor shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse's ability to "hold" the cow. If the cow does not immediately challenge the horse, the exhibitor shall aggressively move in on the cow to demonstrate the horse's ability to drive and block the cow.

Part Two- Set Up Cow and Drive Down Fence to Opposite End of the Arena: After the cow has been controlled on the entry end of the arena, the exhibitor shall set the cow up for driving down the side of the arena. When coming out of the corner, the horse shall be close enough to the cow to demonstrate control with the cow against the fence. This distance and control should be maintained for approximately $\frac{1}{2}$ to $\frac{3}{4}$ the length of the arena. The exhibitor will then stop and release the cow and move the horse toward the center of the arena to set the cow up for boxing on the opposite end of the arena. © USEF 2022 AR - 71

Part Three- Boxing the Cow at Opposite End of Arena: The exhibitor will regain control or "hold" the cow at end of the arena to demonstrate the horse's ability to "hold" the cow.

Part Four- Drive the Cow Back Down the Fence: Past the middle marker and continue until the judge blows the whistle to show completion. The cow should be driven back down the same side of the fence.

3. Credits and Penalties for Ranch Horse Cow Work: All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During the "Boxing" portion of the run, credit

will be given for the horse's expression and its "cow sense" (i.e. making moves with little exhibitor assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during the "Set Up Cow and Drive Down Fence" for rating the cow; blocking the cow with pressure towards the end of the arena; driving the cow with control down the side of the arena; and controlling a difficult cow.

a. One Point Penalties:

1. Over-bridled (per maneuver)
2. Out of frame (per maneuver)
3. Loss of working advantage
4. Driving cow down the opposite fence (changing sides)
5. Working out of position
6. Slipping rein
7. Failure to drive cow past the middle marker on second drive before time expired

b. Three Point Penalties:

1. Knocking down the cow without having a working advantage
2. Losing a cow while boxing

c. Five Point Penalties:

1. Spurring in front of the cinch
2. Blatant disobedience
3. Use of either hand to instill fear or praise

d. Ten Point Penalties:

1. Unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every maneuver)
2. Off Pattern

e. Zero Score:

1. Turning tail
2. Repeated blatant disobedience
3. Schooling after entering the arena prior to calling for cow
4. Schooling horse between cows if new cow is awarded
5. Use of two hands (except for junior horses 5 years and under in snaffle bit/hackamore)

6. More than one finger between split reins or any fingers between romal reins
7. Improper western attire
8. Fall of horse/rider
9. Failure to attempt any part of the class

f. No score

1. Lameness: Abuse; Illegal equipment
2. Disrespect or misconduct
3. Leaving arena before run is complete

4. Exhibitors in the Ranch Horse Cow Work cannot compete in both the Ranch Horse Cow Work, Reined Cow Horse or Working Cow Horse class at the same show with the same horse. However, exhibitors may cross-enter Ranch Horse Cow Work and Limited Reined Cow Horse classes. BOD 6/28/21 Effective 12/1/21

AR229 Ranch Horse Confirmation (New Division Added This Year)

1. GENERAL INFORMATION: The purpose of Arabian Ranch Horse Confirmation is to preserve Arabian type and confirmation best suited to the function of a natural ranch horse. Selection is based upon well-mannered individuals in the order of their resemblance to the breed ideal that possess the most positive combination of balance, structural correctness, and movement. Individuals should possess appropriate breed and sex characteristics with adequate muscling. The ideal Arabian ranch horse should have a natural ranch horse appearance from head to tail.

2. CONDUCT: To be eligible to compete in the ranch horse conformation class the horse must be entered, shown, and judged in at least one riding class in the Ranch division at that show. Horses must be at least 3 years of age. Horses in each division may be

shown together as one class or divided into Purebred, Half-Arabian, Stallions, Mares, Geldings, Open, Amateur, Youth, or in any combination deemed appropriate by show management. All stallions shall be examined to confirm that they have two visible testicles. All stallions and mares shall be examined for over-shot and under-shot mouth. If examination reveals that a horse is a cryptorchid or has an over-/under-shot mouth, the judge shall not use such horse in the final placings of the class.

3. APPOINTMENTS: Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Any horse shown in the ranch horse conformation class may not be shown with a lip cord/chain, however a lead shank with an attached chain may be used under the chin.

a. No whips, nor any other attention getting devices (i.e. treats, candy) are permitted.

b. For rules regarding correct western attire refer to AR144.3. © USEF 2022 AR - 79

4. CLASS SPECIFICATIONS:

a. Each horse enters the arena and walks towards the judge. As the horse approaches, the judge will step to the right to enable the horse to trot straight to a cone placed 50 feet away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge. No hard stand-up is permitted. The judge(s) shall inspect each horse from both sides, front and rear and place the horses in order of preference.

b. Exhibitors may qualify and show more than one horse in ranch horse confirmation classes. Once a horse has entered the arena and been trotted for the judge, a designated handler may hold the horses in the line-up while the exhibitor shows additional horses.

c. Any person designated as a handler must also be an exhibitor at same show.

d. Back tag with horse's entry number remains with the horse.

e. In order to earn the title of Arabian (or Half-Arabian) All -Around Ranch Horse - a horse must show in a Ranch Horse Confirmation class.

AHA ENTRY AGREEMENT

I have read the rules concerning competitions as printed in the Arabian Horse Association (AHA) Handbook / Directory and Competition Prize List and agree to be bound by and subject to those Rules.

AHA ASSUMPTION OF RISK, RELEASE AND INDEMNIFICATION This document waives very important legal rights. Read it carefully before signing.

In consideration for AHA permitting me to participate in this Competition, and by signing the entry blank, I agree as follows:

I AGREE that I choose to participate voluntarily in this Competition, as a rider, driver, handler, lessee, owner, agent, coach, trainer, junior exhibitor, or as a parent or guardian of a junior exhibitor. **I AM FULLY AWARE AND ACKNOWLEDGE THAT HORSE SPORTS AND PARTICIPATION IN THIS COMPETITION INVOLVE SERIOUS RISK OF HARM INCLUDING, BUT NOT LIMITED TO, RISKS OF ACCIDENT, SERIOUS BODILY INJURY, INCLUDING DEATH, BROKEN BONES, HEAD INJURIES, TRAUMA, PAIN, AND SUFFERING, AND PROPERTY DAMAGE. I ASSUME ALL RISKS OF HARM TO ME, MY HORSE OR MY PROPERTY.**

I AGREE as a Horse Show Participant (or Parent/Guardian of Participant if a minor) to waive all claims which may otherwise arise from, including but not limited to infectious bacteria, viruses, fungi/mold, parasites or other agents which may be present at the Horse Show (and most other outdoor locations) and can cause infection in humans, as well as in animals.

I AGREE for myself, my heirs, executors, administrators, successors and assigns to release AHA, the Competition, the facilities leased by the Competition and the owner(s) of the facilities, and all of their respective officers, officials, directors, employees, agents, personnel, volunteers, affiliated organizations and insurers (collectively, the "Released Parties") from any and all claims for damage, loss, or injury to myself, other persons, horses or other property belonging to me to the fullest extent permitted by law that arises out of or relates in any way to the Competition and my participation in the Competition INCLUDING, BUT NOT LIMITED TO, DAMAGES, LOSS, OR INJURY RESULTING FROM ANY ACTS, FAILURE TO ACT, NEGLIGENCE OR NEGLECT OF OTHER ENTRANTS, THE RELEASED PARTIES, THEIR CONTRACTORS OR INVITEES, as well as for theft, vandalism, fire, other casualty damage, or damage arising out of any defects in the premises.

I AGREE to indemnify and hold harmless (that is pay all losses, damages, attorneys fees and costs of) the Released Parties from and against any and all claims, demands, penalties, actions, losses, costs, damages, injuries, liabilities and obligations (including attorneys fees) of whatsoever kind and nature, which may be asserted against or incurred by any of them as a result of (1) my participation in the Competition or (2) any act, failure to act, or neglect (a) by me, my agents, employees, riders, handlers, trainers, coaches, drivers, contractors or invitees, or (b) by any animal owned or exhibited by me or in my custody or control.

I AGREE and represent that I am qualified and eligible to enter and/or participate in the Competition, and every horse I am entering is qualified and eligible as entered.

I AGREE to accept AS FINAL any decision of AHA, the Show Commission or Show Officials concerning my qualification or the qualification of my horse to enter the Competition or any results of the Competition, except to the extent that the Rules of AHA, the Competition, EC or USEF Equestrian permit a protest or hearing of such decisions. Should a hearing be requested, I agree to accept AS FINAL the decision of the particular hearing body. I agree to release, hold harmless and not to sue AHA, the Competition Sponsor, their officers, directors, employees, volunteers or members concerning any decision of AHA, the Competition, its Show Commission, Show Officials or any hearing body that relates to my qualifications or my horse(s)' qualifications to enter the Competition or any results of the Competition.

I AGREE that AHA has the sole right to control, sell, supervise or give away (or assign to others the right to do so) the exclusive rights to broadcast, televise, reproduce, transmit and disseminate all or part of this event, and I agree that AHA may use or assign, in any way AHA sees fit, photographs, films, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the Competition for the promotion, coverage or benefit of the Competition or AHA. Those likenesses shall not be used to advertise a product and they may not be used in such a way which implies endorsement of any company, product, product category or service. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation.

By signing below as a parent or guardian of a junior exhibitor, I consent to the child's participation and agree to all of the above provisions, and further agree to assume all of the obligations of this AHA Assumption of Risk, Release and Indemnification personally and on behalf of the child.

This AHA Assumption of Risk, Release and Indemnification is governed by the Laws of the State of Colorado and is intended to be interpreted as broadly as possible. I agree that exclusive jurisdiction and venue (place) for any legal action against AHA, its officers, directors, employees, volunteers or agents shall be in the local district courts or the federal court of the State of Colorado. The intent to qualify for a specific division must be designated on the entry form and the qualifying fee PAID before the ride at a qualifying show. See www.swdressage.org for complete SWDC Rules
Important Considerations for Qualifying

1. A horse/rider combination may qualify for the SWDC Championship by earning two qualifying scores in qualifying classes at SWDC recognized shows during the SWDC qualifying year. Qualifying classes are the highest test at each level, with the exception of Walk Trot which will use Intro Test B. Winning or placing in the class is not necessary as long as the score is earned. These scores must be earned at two different competitions from two different judges.
2. An \$10.00 fee is added to the regular entry fee when entering a Qualifying Class at an SWDC recognized competition. \$1.00 of the fee is to provide for the volunteers' services at the Championships, \$5.00 of this fee is allocated for prize money at the Championships, and the remaining \$4.00 will be used to help pay for awards (any of the \$4.00 not used for prizes will be added to the prize money).
3. One score may be earned at a show that is not approved by the SWDC as long as:
 - a. The show is outside of Region 9 and recognized by USEF/USDF.
 - b. The rider submits the score (a copy of the front of a signed dressage test) a fee of \$25.00 to the SWDC Qualifying Secretary within two weeks of the end of the competition. If the score is not received within the two weeks, it will not apply.
4. A horse/rider combination having won the Championships at a certain level and division may not compete at that level and division or below in the Championships in subsequent years (except Grand Prix). However, the horse may compete at any level with a different rider.
5. Riders in the Walk/Trot level must not have competed in a recognized show above First Level.
6. Each rider must declare the division in which they are competing prior to each attempt at a qualifying ride at SWDC qualifying shows or for a score submitted under Rule 4 (Amateur, Open, or Junior/Young Rider) and must provide proof of eligibility in the case of Amateur and Junior/Young Rider. The intent to qualify for a particular division must be designated on the entry form. Adult Amateur, Junior/Young Riders and Ponies may also qualify for the Open division. Separate qualifying scores must be earned for each division. At the SWDC Championships they must enter each division separately and will ride in each division separately. If a competitor is found to have entered a division in which they are **NOT ELIGIBLE** they must default to show in the Open division if their qualifying scores are sufficient to qualify in that division
7. In qualifying classes with more than one judge, scores among the judges of the ride will be averaged. For purposes of obtaining qualifying scores from two judges, so long as one judge in the judging combination is changed, it will constitute a different judge
8. Qualifying rides must be ridden in an unmodified standard 20m x 60m arena with the exception of walk trot which may be ridden in a 20m x 40m arena.
9. Competitors wishing to qualify for the Training or First Level Open Pony Championships may ride a qualifying test at Training or First Level in any division. These qualifying scores do not have to be earned in classes restricted to ponies but the competitor must declare prior to the start of the ride their intent to qualify for the SWDC Pony Championship class. Failure to do so will result in the default to the open division. Ponies must meet height requirements set by the USEF (DR135) in order to be eligible for this division at the Championships.
10. Junior Riders may qualify for the SWDC Open Third Level Freestyle Championship Class using qualifying scores obtained from Junior Rider Freestyle and Young Riders may qualify for the SWDC Open FEI Level Freestyle class using the Young Riders Freestyle. Scores must meet the division percentages and the rider must state the intention to qualify for those classes and pay qualifying fees PRIOR TO THE RIDE.
11. Competitors may check scores by checking www.swdressage.org web site or by emailing the SWDC Qualifying Secretary, at qualifying@swdressage.org. To permit recording, scores will not be available until at least three weeks after the competition

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

**This
competition

by USDF
for 2022**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
