Below is the USEF General Rule regarding SafeSport and the SafeSport Training requirement.

GR1303 Safe Sport Requirements

Consistent with the mission statement of the Federation, the welfare of equestrian participants, especially minors, is of paramount concern. When any member -- athlete, participant, trainer, coach, organizer, official, volunteer, or staff member -- is subjected to or engages in abuse or misconduct, it undermines the mission of the Federation and is inconsistent with the best interests of equestrian sport and of the athletes the Federation serves. The Safe Sport Policy and U.S. Center for Safe Sport's Code have been created to protect all athletes from misconduct they may experience within sport. The education and training of all participants in equestrian sport is crucial to the protection of athletes, reporting of misconduct, and eradication of abuse in our sport.

The U.S. Center for SafeSport (Center) is the first and only national organization of its kind focused on ending all forms of abuse in sport. As an independent non-profit headquartered in Denver, CO, the Center provides consultation to sport entities on prevention techniques and policies, while developing best practices and educational programs focused on promoting athlete wellbeing and putting an end to abuse in sports. The Center also provides a safe, professional, and confidential place for individuals to report sexual abuse.

The Federation Safe Sport Policy defines a "Federation Participant" as any Federation member, or non-member, who participates in or attends a Federation Licensed Competition or sanctioned event. The Federation's Safe Sport Policy can be found at www.usef.org and the U.S. Center for SafeSport Code can be found at www.safesport.org

- a. Every Federation member and Federation Participant shall abide by the Federation's Safe Sport Policy and the U.S. Center for SafeSport Code, which can be found at www.usef.org and www.safesport.org respectively.
- b. In order to comply with S. 534, the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017, the Federation Safe Sport Policy, and the U.S. Center for SafeSport Code, every Federation adult member and Federation adult Participant, with the exception of the victim, shall report suspected sexual misconduct, including sexual abuse, and suspected child abuse, within 24 hours to the appropriate authorities and to the U.S. Center for SafeSport.
- c. Beginning January 1, 2021, every Federation adult member (18 years of age and over) with a "Competing Membership" shall complete Federation-approved Safe Sport Training in accordance with the U.S. Center for SafeSport's Education & Training Policies.

Motorized Vehicle Use:

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

National Qualifications: No qualifications required for 2021.

Top five winners in the 2021 Regional Championship Classes will be qualified for 2022 National Championship competitions. Exceptions are the Region 9 Leadline. For more detail on AHA National Qualifications, refer to 2021 AHA Handbook Chapter 11, Section 12.

No-Show Penalty:

Any horse that has been entered into a class who does not wish to exhibit in the class must scratch AT THE SHOW OFFICE as far in advance of the class as possible, or with the Paddock Master (if the situation dictates directly prior to the class). **Any horse that is a no-show for its class and has not been scratched as indicated above will incur a \$25 penalty. Open checks will be required at show check-in in the event this penalty must be assessed. Do NOT** send open checks or postdated checks.

All entries are accepted with the understanding that neither Region 9 AHA, nor the Will Rogers Memorial Center and the City of Fort Worth will be responsible for any loss, personal injury or damage to horses exhibited or for any article of any kind or any nature that may be lost or destroyed or in any way damaged. All horses shall be under the control and direction of the respective Show Committee but solely at the risk of the exhibitor who will be responsible for any loss, damage, or injury of any person, animal or property occasioned by him or his agents or employees, or by any animal owned or exhibited by him, and shall indemnify Region 9 AHA and the Will Rogers Equestrian Center and the City of Fort Worth against any and all legal costs, including attorney fees which may be the result thereof. The submitting of any entry form to the respective Show Secretary shall constitute an acceptance of the provisions herein set forth.

Sharps Containers:

Sharps containers will be placed for every fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. These containers when full will be disposed of properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments.

The intent to qualify for a specific division must be designated on the entry form and the qualifying fee PAID before the ride at a qualifying show. See www.swdressage.org for complete SWDC Rules
Important Considerations for Qualifying

1. A horse/rider combination may qualify for the SWDC Championship by earning two qualifying scores in qualifying classes at SWDC recognized shows during the SWDC qualifying year. Qualifying classes are the highest test at each level, with the exception of Walk Trot which will use Intro Test B. Winning or placing in the class is not necessary as long as the score is earned. These scores must be earned at two different competitions from two different judges.
2. An \$10.00 fee is added to the regular entry fee when entering a Qualifying Class at an SWDC recognized competition. \$1.00 of the fee is to provide for the volunteers' services at the Championships, \$5.00 of this fee is allocated for prize money at the Championships, and the remaining \$4.00 will be used to help pay for awards (any of the \$4.00 not used for prizes will be added to the prize money).
3. One score may be earned at a show that is not approved by the SWDC as long as:
 - a. The show is outside of Region 9 and recognized by USEF/USDF.
 - b. The rider submits the score (a copy of the front of a signed dressage test) a fee of \$25.00 to the SWDC Qualifying Secretary within two weeks of the end of the competition. If the score is not received within the two weeks, it will not apply.
4. A horse/rider combination having won the Championships at a certain level and division may not compete at that level and division or below in the Championships in subsequent years (except Grand Prix). However, the horse may compete at any level with a different rider.
5. Riders in the Walk/Trot level must not have competed in a recognized show above First Level.
6. Each rider must declare the division in which they are competing prior to each attempt at a qualifying ride at SWDC qualifying shows or for a score submitted under Rule 4 (Amateur, Open, or Junior/Young Rider) and must provide proof of eligibility in the case of Amateur and Junior/Young Rider. The intent to qualify for a particular division must be designated on the entry form. Adult Amateur, Junior/Young Riders and Ponies may also qualify for the Open division. Separate qualifying scores must be earned for each division. At the SWDC Championships they must enter each division separately and will ride in each division separately. If a competitor is found to have entered a division in which they are **NOT ELIGIBLE** they must default to show in the Open division if their qualifying scores are sufficient to qualify in that division
7. In qualifying classes with more than one judge, scores among the judges of the ride will be averaged. For purposes of obtaining qualifying scores from two judges, so long as one judge in the judging combination is changed, it will constitute a different judge
8. Qualifying rides must be ridden in an unmodified standard 20m x 60m arena with the exception of walk trot which may be ridden in a 20m x 40m arena.
9. Competitors wishing to qualify for the Training or First Level Open Pony Championships may ride a qualifying test at Training or First Level in any division. These qualifying scores do not have to be earned in classes restricted to ponies but the competitor must declare prior to the start of the ride their intent to qualify for the SWDC Pony Championship class. Failure to do so will result in the default to the open division. Ponies must meet height requirements set by the USEF (DR135) in order to be eligible for this division at the Championships.
10. Junior Riders may qualify for the SWDC Open Third Level Freestyle Championship Class using qualifying scores obtained from Junior Rider Freestyle and Young Riders may qualify for the SWDC Open FEI Level Freestyle class using the Young Riders Freestyle. Scores must meet the division percentages and the rider must state the intention to qualify for those classes and pay qualifying fees PRIOR TO THE RIDE.
11. Competitors may check scores by checking www.swdressage.org web site or by emailing the SWDC Qualifying Secretary, at qualifying@swdressage.org. To permit recording, scores will not be available until at least three weeks after the competition

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with a HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with a HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. A HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need a HID number. A HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need a HID number. An LHR does not need to be renewed.
