Below is the USEF General Rule regarding SafeSport and the SafeSport Training requirement.

## **GR1303 Safe Sport Requirements**

Consistent with the mission statement of the Federation, the welfare of equestrian participants, especially minors, is of paramount concern. When any member -- athlete, participant, trainer, coach, organizer, official, volunteer, or staff member -- is subjected to or engages in abuse or misconduct, it undermines the mission of the Federation and is inconsistent with the best interests of equestrian sport and of the athletes the Federation serves. The Safe Sport Policy and U.S. Center for Safe Sport's Code have been created to protect all athletes from misconduct they may experience within sport. The education and training of all participants in equestrian sport is crucial to the protection of athletes, reporting of misconduct, and eradication of abuse in our sport.

The U.S. Center for SafeSport (Center) is the first and only national organization of its kind focused on ending all forms of abuse in sport. As an independent non-profit headquartered in Denver, CO, the Center provides consultation to sport entities on prevention techniques and policies, while developing best practices and educational programs focused on promoting athlete wellbeing and putting an end to abuse in sports. The Center also provides a safe, professional, and confidential place for individuals to report sexual abuse.

The Federation Safe Sport Policy defines a "Federation Participant" as any Federation member, or non-member, who participates in or attends a Federation Licensed Competition or sanctioned event. The Federation's Safe Sport Policy can be found at [www.usef.org](http://www.usef.org) and the U.S. Center for SafeSport Code can be found at [www.safesport.org](http://www.safesport.org)

- a. Every Federation member and Federation Participant shall abide by the Federation's Safe Sport Policy and the U.S. Center for SafeSport Code, which can be found at [www.usef.org](http://www.usef.org) and [www.safesport.org](http://www.safesport.org) respectively.
- b. In order to comply with S. 534, the Protecting Young Victim's from Sexual Abuse and Safe Sport Authorization Act of 2017, the Federation Safe Sport Policy, and the U.S. Center for SafeSport Code, every Federation adult member and Federation adult Participant, with the exception of the victim, shall report suspected sexual misconduct, including sexual abuse, and suspected child abuse, within 24 hours to the appropriate authorities and to the U.S. Center for SafeSport.
- c. Beginning January 1, 2020, every Federation adult member (18 years of age and over) with a "Competing Membership" shall complete Federation-approved Safe Sport Training in accordance with the U.S. Center for SafeSport's Education & Training Policies.

### **Motorized Vehicle Use:**

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Open checks will be required at show check-in in the event this penalty must be assessed. Do NOT** send open checks or postdated checks.

Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee. BOD 1/17/15 Effective 12/1/15.

**Judging:**

**Breeding/In-Hand Classes:** . Regional halter classes will be comparatively judged and placings determined by MOS.

**Performance Classes:** The MOS Scoring System will be used. In three judge classes, judges will be rotated in class order. Performance Halter, Trail, Reining, Reined Cow Horse, and Working Cow, Herd Work classes will use the Single Judge System.

The Leadline Class exhibitors shall be at least two years of age and have not reached their 7th birthday as of December 1, 2019. Leadline exhibitors are exempt from the AHA Membership with Competition Card requirements and USEF membership requirements. **Exhibitors may only ride a horse properly entered in the show.** Leaders must be at least 14 years of age. The safety of all exhibitors must be of the primary consideration when conducting the class. Any action by any exhibitor, leader, or horse that endangers that exhibitor or leader may be eliminated. Safety is of the utmost importance in tack and attire: 1-Saddle must fit rider, 2-Rider's feet must be engaged in the stirrups/iron, 3-Leading rein must be attached to a cavesson or a halter placed under or over the bridle, 4-It is strongly encouraged that the rider wears protective headgear with harness secured which meets/exceeds ASTM/SEI standards for equestrian use and carries the SEI tag, 5-Boots are required. There shall be only one rider on each horse; stallions are prohibited. The recommended appointments and attire are those deemed appropriate for a pleasure type class.

**Longeing:**

Areas for longeing are the outside dirt pad and the Show Arena [beside Cattle Barn #3]. **NO LONGEING WILL BE ALLOWED AT ANY TIME IN THE WARM UP AREA OUTSIDE OF THE IN-GATE IN WILL ROGERS COLISEUM OR IN WILL ROGERS COLISEUM.** There will be no longeing in John Justin and the Watt Arena, **LONGEING WILL BE PERMITTED IN THE ROUND PENS AND IN THE OUTSIDE ARENAS.**

**Non-Official Farriers / Veterinarians:**

Non-official farriers or veterinarians may practice at this show, if they check in at the show office and pay the vendor fee of \$400. Farriers or veterinarians that seek to conduct business at this show may be bound by the rules of USEF and AHA, thus making them accountable to USEF and AHA. Subjecting farriers to the authority of USEF's Hearing Committee or the AHA Ethical Practice Review Board permits USEF and AHA to sanction such individuals, if appropriate.

**Parking at WRMC:**

***It is best if exhibitors come in on University to Trail Drive and enter at Big Arch gate #42.***

There is a daily parking fee for all parking at Will Rogers Memorial Center, for both vehicles and trailers. Vehicle parking is \$5/day for a pass to hang on your rear view mirror. Trailer parking in South Yellow (RV) lot is \$5/day. You can request a temporary pass to load/unload at the Attendant Booth, but then must purchase a parking pass for both vehicle and trailer if you plan to park. **Vehicles and trailers found without the proper parking passes will be ticketed by the City of Fort Worth.**

***In order to offset the parking fee, Region 9 gives each horse a 5 day vehicle parking pass \$25 that will be picked up in the show office, exhibitors must sign for parking pass. Additional passes may be purchased in the show office for \$25 CASH.***

Also parking passes can be purchased at any Attendant Gate for that day. Multi-day and single day passes can also be purchased online in advance at <http://culturaldistrictparking.com/> for standard parking rates plus a service fee.

**RV Parking:** Must be made directly with Will Rogers, not with the show office.

**Stalling Information:**

Stalls will be assigned by the Barn Manager. Show Management reserves the right to remove horses not stabled properly. All horses must have a stall. Stalls in the main buildings are approximately 10' X 10', constructed of all metal; floors are asphalt, and all stalls have metal doors. Stalls in the cattle barns, also 10' X 10', have dirt floors and wooden stalls with doors.

**REQUESTS FOR ADJOINING STALLS FROM DIFFERENT OWNERS MAY NOT BE HONORED UNLESS MAILED TOGETHER IN THE SAME ENVELOPE AND SIGNED BY THE TRAINER OF THE HOST BARN.**

Exhibitors requesting a large block of stalls (generally more than six) are encouraged to contact the Barn Manager before arrival [Edythe Snowden, Cell: 830-237-0966, Email: esnowden@gvvc.com]. Stalls will only be reserved based on the actual number of stalls paid for on formal entry forms received by the Show Secretary.

Stalls will be assigned according to the combined monetary value of Premium Book & Show Program Advertising, Patron Memberships Purchased, and Trophy Sponsorships from the farm [including clients and all owners] requesting stall assignment. The number of horses entered will play an assignment role as appropriate to accommodate the number of stalls available. Will Rogers/Burnett Building stall occupants for the 2019 Championship Show will be given first choice for the same stalls in 2020, subject to all other requirements herein.

Stalls will be available at 8:00 A.M. Monday, May 25, 2020 and must be vacated by 5:00 P.M. Sunday, May 31, 2020. Arrivals before 8:00 A.M. ## **New for 2020 LIFELINE RULE**

To exercise the Lifeline rule a horse/rider combination must have already achieved one SWDC minimum qualifying score at a level and division where the SWDC fee were paid before the ride at an SWDC approved competition. If the horse rider combination failed to pay the qualifying fee at another competition this lifeline may be exercised. The rider may pay a fee of \$75 to SWDC and send the fee, along with the score or USDF record of score to the SWDC qualifying secretary to count as a second qualifying score. The second score must have been earned at an in-region SWDC approved competition at the same level/division and satisfy the minimum score for the Level/division where the SWDC qualifying fee was not paid before the ride in which the score was earned

**The intent to qualify for a specific division must be designated on the entry form and the qualifying fee PAID before the ride at a qualifying show. See [www.swdressage.org](http://www.swdressage.org) for complete SWDC Rules**

## **Important Considerations for Qualifying**

1. A horse/rider combination may qualify for the SWDC Championship by earning two qualifying scores in qualifying classes at SWDC recognized shows during the SWDC qualifying year. Qualifying classes are the highest test at each level, with the exception of Walk Trot which will use Intro Test B. Winning or placing in the class is not necessary as long as the score is earned. These scores must be earned at two different competitions from two different judges.
2. An \$10.00 fee is added to the regular entry fee when entering a Qualifying Class at an SWDC recognized competition. \$1.00 of the fee is to provide for the volunteers' services at the Championships, \$5.00 of this fee is allocated for prize money at the Championships, and the remaining \$4.00 will be used to help pay for awards (any of the \$4.00 not used for prizes will be added to the prize money).
3. One score may be earned at a show that is not approved by the SWDC as long as: a. The show is outside of Region 9 and recognized by USEF/USDF. b. The rider submits the score (a copy of the front of a signed dressage test) and a fee of \$25.00 to the SWDC Qualifying Secretary within two weeks of the end of the competition. If the score is not received within the two weeks, it will not apply.
4. Life line rule: to exercise this Lifeline rule a horse rider combination must have already achieved one SWDC minimum qualifying score at a level and division where the SWDC fee was paid before the ride at an SWDC approved competition. If the horse rider combination failed to pay the qualifying fee at another competition this lifeline may be exercised. The rider may pay a fee of \$75 to SWDC and send the fee, along with the score sheet or USDF record of score to the SWDC qualifying secretary to count as a second qualifying score. The second score must have been earned at an in-region SWDC approved competition at the same level/division and satisfy the minimum score for the level/division where the SWDC qualifying was not paid before the ride in which the score was earned.
5. A horse/rider combination having won the Championships at a certain level and division may not compete at that level and division or below in the Championships in subsequent years (except Grand Prix). However, the horse may compete at any level with a different rider.
6. Riders in the Walk/Trot level must not have competed in a recognized show above First Level.

7. Each rider must declare the division in which they are competing prior to each attempt at a qualifying ride at SWDC qualifying shows or for a score submitted under Rule 4 (Amateur, Open, or Junior/Young Rider) and must provide proof of eligibility in the case of Amateur and Junior/Young Rider. The intent to qualify for a particular division must be designated on the entry form. Adult Amateur, Junior/Young Riders and Ponies may also qualify for the Open division. Separate qualifying scores must be earned for each division. At the SWDC Championships they must enter each division separately and will ride in each division separately. If a competitor is found to have entered a division in which they are **NOT ELIGIBLE** they must default to show in the Open division if their qualifying scores are sufficient to qualify in that division.

8. In qualifying classes with more than one judge, scores among the judges of the ride will be averaged. For purposes of obtaining qualifying scores from two judges, so long as one judge in the judging combination is changed, it will constitute a different judge

9. Qualifying rides must be ridden in an unmodified standard 20m x 60m arena with the exception of walk trot which may be ridden in a 20m x 40m arena.

10. Competitors wishing to qualify for the Training or First Level Open Pony Championships may ride a qualifying test at Training or First Level in any division. These qualifying scores do not have to be earned in classes restricted to ponies but the competitor must declare prior to the start of the ride their intent to qualify for the SWDC Pony Championship class. Failure to do so will result in the default to the open division. Ponies must meet height requirements set by the USEF (DR135) in order to be eligible for this division at the Championships.

11. Junior Riders may qualify for the SWDC Open Third Level Freestyle Championship Class using qualifying scores obtained from Junior Rider Freestyle and Young Riders may qualify for the SWDC Open FEI Level Freestyle class using the Young Riders Freestyle. Scores must meet the division percentages and the rider must state the intention to qualify for those classes and pay qualifying fees PRIOR TO THE RIDE.

12. Competitors may check scores by checking [www.swdressage.org](http://www.swdressage.org) web site or by emailing the SWDC Qualifying Secretary, at [qualifying@swdressage.org](mailto:qualifying@swdressage.org). To permit recording, scores will not be available until at least three weeks after the competition.

### ***USDF Statement on Animal Welfare***

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. - Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

#### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with a HID number will be recorded but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with a HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. A HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need a HID number. A HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need a HID number. An LHR does not need to be renewed.
