President's Message

For those who have participated before welcome back and to all the newcomers we hope you enjoy the show. We are excited to host another show as year two at our new, fantastic facility. The Lodi festival grounds are fabulous and serve us well as an event center for the PPBA show. This year we will be bringing back the popular Saturday night banquet. Make sure to reserve your spot ahead of time and don't miss it!

PPBA takes pride in using some of the top judges in the country and we provide competition in all classes that is the best in the west. We hope you will come and show with us and enjoy the weekend. This year we have invited back a few judges we have used in the past, but also some new judges that are first timers for PPBA.

We will be using the Holiday Inn Express and Candlewood Suites as our host hotels so make sure to look over the lodging section to get details on the hotels. Also, RV's are welcomed with power/water hookups at festival grounds.

I would like to thank the show staff and PPBA board for all the hard work that goes into preparing for a show like this. If anyone is interested in becoming more involved, make sure to let us know.
