**Lodi, CA    Grape Festival Grounds**

## **President's Message**

I'd like to personally welcome everyone to the PPBA 2026 Winter Show. We pride ourselves on providing a top-notch show for all to enjoy. The Lodi festival grounds are fabulous and serve us well as an event center for the PPBA show. This year once again we will host the popular Saturday night banquet. Make sure to reserve your spot ahead of time and don't miss it!

PPBA is renowned for using some of the best judges in the country and we provide competition in all classes that is the best in the west. We hope you will come and show with us and enjoy the weekend.

For those that are traveling and need lodging we will be using a new host hotel, Tru by Hilton so make sure to look over the lodging section to get details on the hotel. Also, RV's are welcomed with power/water hookups at festival grounds for \$35 a night.

This year we are hosting the IWBA National and we are excited to have Danny Padgett from Florida to judge our waterfowl.

A huge shout out goes to our show sponsors Stromberg's and Nutrena. The support from vendors like these is greatly appreciated. In conclusion I'd be remiss if I didn't mention the show staff and PPBA board for all the hard work that goes into preparing for a show like this. You all Rock!!! If anyone is interested in becoming more involved, make sure to let us know.

- Biosecurity Measures as outlined by the CDFA will be administered at The PPBA Show to include, but not limited to:
- A Biosecurity Committee led by a State Certificated Biosecurity Manager and also consisting of a Poultry Health Inspector (PHI) and designated assistants will inspect each bird the day of arrival at the show and periodically throughout the duration of the show
- Any bird deemed to be unhealthy will be quarantined by the committee and must be removed from the premises by the exhibitor.
- Hand sanitizing stations will be available at each of the buildings.
- PPBA will provide disposable feed/water containers.

One final note from me, PPBA is proud to announce we will be hosting the ABA national at our 2027 show and the following year we will be hosting the APA national at our 2028 event.

APA Mission

**To promote and protect standard-bred poultry in all its phases.**

To accomplish our mission, the American Poultry Association will use these steps/values to govern the manner in which we achieve our goals:

- Continue the publication of the American Standard of Perfection with breed and variety descriptions for all recognized standard bred fowl.
- Encourage and protect poultry shows as being the show window of our industry, an education for both breeders and public, and a means of interesting young future poultry keepers in taking up poultry.
- To continue the practice of granting Judging Licenses to qualified members who have met the requirements of the licensing program.
- Assist, encourage and help educate the junior poultry keeper to the sound and practical value of standard-bred poultry and pure breeding.
- Towards these goals the APA supports sanctioned meets at poultry shows all over the US and Canada, including an Annual, a Semi-Annual and a Canadian National meet.

## **THE SALES AREA**

Sales cages will be provided for **MEMBERS** of the PPBA only and must be paid in advance with the entry form. YOU MUST INCLUDE YOUR PPBA DUES. SALE CAGES WILL BE LIMITED SO PLEASE include payment for membership with entry if you want sale cage(s). SALE CAGE Cost is \$15 per hole WHEN SENT WITH YOUR ENTRY.

**\*\*\*THE COST OF A SALES CAGE AT THE SHOW WILL BE \$20.\*\*\***

## FAQs About the Change.

**Why the new package design?** Our updated look makes it easier to spot NatureWise and choose the right feed for your flock.

**Is how or where the feed is made changing?** No changes here. Everything about our feed will stay the same. You can count on the trusted, high-quality nutrition your flock knows and loves.

**Are the bag sizes changing?** Nope! The same amount of feed is inside, just in a new outfit.

**Is this still a Nutrena® product?** You bet! NatureWise is proudly part of the Nutrena family, now and always.

**Why am I seeing the bag in some stores but not others?** Our new look is rolling out in waves. Depending on your location, you might see the bags hit shelves a little sooner or later, but they're coming your way in time for chick season!
