Bowman, ND 58623

Hello local businesses!

The Bowman Theater is selling ads for 2026. We are offering pre-show advertising on the big screen for a half hour. Ads will be shown before each movie, every week. You also will find your logo on our website! This is a great way to promote your business and also help keep the doors of your local theater open.

The price for this advertising opportunity is \$500.00 for the entire year (March-March).

You can share with us any logos, pictures, or videos you would like included in your ad. We will put together ads in an eye-catching way.

Feel free to reach out with any questions you may have.
