FROM THE EAST

Greetings From The East:

January is behind us and we held an Entered Apprentice Degree at the end of the same month. We initiated four new Brothers into Freemasonry and had the pleasure of seeing our Senior Deacon, Jesse Tibbets, in the East as Worshipful Master for his first degree. Outstanding job, Br. Jesse!! And a welcome to our new Brothers. Hopefully this is the start of a busy year making new Masons.

That said, we need instructors for our classes. It's not fair, nor reasonable, to expect the same people to take on the roll of instructor class after class. We need YOU to step up and help.

I am also, again, asking for your input as to the things you'd like to see happen at IR-90. What are the fun and interesting things that you enjoy doing that we can bring to Lodge ?

Finally, please keep our sick and distressed Brothers and Sisters in your thoughts and prayers.

Fraternally,
Sam Rogero
Worshipful Master

FROM THE WEST

Greetings From The West,

We have Lodge installations behind us. A special shout out to The Scouts for helping serve at the installation dinners. Those kids are always available to help at our functions and make our lives a lot easier. If you see them about, please give them a 'thank you' and a well deserved pat on the back.

Keep your eyes open for an upcoming Fellowcraft Degree. If you're interested in helping in any way, please reach out to me and let me know.

We also need instructors and if you're reading this, that's you!! It takes very little time and effort, and the gratification you'll get in seeing new Masons flourish is worth its weight in gold. If you have a favorite degree, then do that one. We'll take it. Let's hear from you.

Yours Fraternally,
Terry Andrews

FROM THE SOUTH

Greetings Brothers,

The 2026 Indian River 90 Officer Installation went very well. I would like to thank all of the visiting Brothers, friends and family who attended. We are looking forward to a great year of Brotherhood and fellowship.

The building committee is working on a list of projects to improve the lodge. We are open to all suggestions or comments for the betterment of the lodge building. Our first project is to get the dining room ceiling tiles painted. The materials are at the lodge and a lodge workday will be scheduled in the near future. It doesn't matter your level of experience, any assistance is appreciated. Workdays are also a great day for Brothers to enjoy hanging out together while accomplishing lodge tasks.

Final thought, if there are any food allergies or special request for lodge meals, please contact me.

Respectfully,
Brian Stoll
Junior Warden

As we go through each day, we come across our Brothers and Sisters who have fallen ill, or who find themselves in distress and need good thoughts and prayers sent their way. Masonic Education

In the Entered Apprentice Degree, we are taught equilibrium, learning through the twenty-four inch gauge, that we should divide our day into three equal parts: eight hours for the service of God and the relief of a distressed worthy Brother, eight for our usual vocations, and eight for refreshment and sleep. This means that we are to think about our spiritual wellbeing and the wellbeing of others first, to be gainfully employed, but also not to neglect our rest and relaxation. We learn through the common gavel to get beyond the passions and exigencies of today and, by divesting our hearts and consciences of all of the vices and superfluities of life, to fit our minds as living stones for that spiritual building – that house not made with hands – eternal in the heavens.
