

Joaquina Scott Kankam, Ph.D.

SPEAKER | WRITER

Youth Protection Topics

Understanding Youth Protection Compliance & Risk Management

YOUTH-SERVING ORGS, ASSOCIATIONS

This topic provides a new and innovative perspective of compliance and risk management that benefits professionals working in education, insurance, public policy, and other non-profit or government sectors.

Rethinking Youth Protection

GOVERNMENT, LAW ENFORCEMENT

This topic offers professionals working with abused and neglected children a different viewpoint on engaging and collaborating with youth-serving organizations to gather new insight on ways to prevent and treat child endangerment.

Trends in Insuring Youth-Serving Organizations

INSURANCE ASSOCIATIONS, MEDIA OUTLETS

This topic provides insurance professionals with an educational resource on providing insurance policies to youth-serving organizations and tips to minimize risk exposure.

The Effects of Public Scandal

YOUTH-SERVING ORGS, ASSOCIATIONS

This topic offers senior leadership insight into the aftermath of public scandals and the potential effects on their organizations and themselves.

About Dr. JSK

Not only is Joaquina an expert in youth protection compliance and risk management, but her practical experience has made her a leader in understanding the needs of youth-serving organizations.

In addition to being an educator (K-12 & Higher Education), Joaquina has presented at several national association conferences and participated as a panelist in several discussions regarding youth.
