

Full Service Discount Barber Shop / Hair Salon Chain For Sale

Be part of the \$65 billion U.S. hair care industry. This is an opportunity to own a full service, discount barber shop / hair salon chain that is truly recession proof. These are turnkey locations in prime, high traffic shopping areas.

They pride themselves in having prices that are affordable for the whole family. They offer top notch services from hair cuts for the whole family, to styling, perms, coloring, waxing, and even hair and eyelash extensions and gel nails. In addition, they also carry many of the top professional hair care products.

This is a great opportunity for a buyer looking for a semi-absentee business that has great growth potential by continuing to expand into other markets, either as corporate owned stores or franchises.
