For Sale – Profitable, well established chain of jewelry and diamond stores in Northern Utah.

They have been one of the premier jewelers along Utah's Wasatch Front since it's founding 23 years ago. The company is currently run by it's founder. It is well known for it's diamond engagement and wedding rings, as well as fine watches and other jewelry. They are a high end boutique jeweler that specializes in custom, one of a kind designs. Almost all of their revenue is from in-house sales. The owner is interested in selling the business but is interested in continuing to manage and work for a new buyer if the opportunity is right.

Sales have seen steady growth over the past few years, in part fueled by recent expansion. Sellers also have significant additional inventory which they are willing to consign to the right buyer.
