

Information Technology Services Business For Sale

Asking Price \$408,000

2021 Gross Sales \$293,394

Owners Discretionary Earnings \$211,067

For Sale - This I.T. Managed Service Provider Company has been in business for 20 years. They provide a variety of technology services. It is a one stop shop for small, medium, and large businesses requiring online, offline, and cloud-based services. If it involves hardware, software, networking, cloud services, or cyber security this firm delivers.

The business specializes in help desk support, server and cyber security, printers, Office/Microsoft 365 and Goggle Workspace support, and networking. The company provides all networking needs, such as design, installation, maintenance, optimization, trouble-shooting and compliance services. This firm has clients in a wide variety of industries.

The business is structured such that most of it can be run remotely. Recurring revenue with excellent long-term customer relationships and contracts in place. The company has relied solely on referrals, so a marketing and a sales program could provide significant growth.

The Company partners with, among others, Microsoft, DELL, Adobe, Crucial, TrendMicro, HP, Amazon, and Lenovo.

The company survived the Covid-19 pandemic with positive growth in 2021 and anticipates continued growth through 2022. The company targets 70% profit margins. This service business is easily scalable with expansion into other markets and regions.

The purchase will include all the tools, training, and assistance needed to make a smooth transition. The business can be run from home, so there is virtually no overhead.
