

Very Profitable Diesel Repair Shop

Asking Price \$475,000

Owners Discretionary Earnings \$184,000 in 2018.

This is a highly reputable, well-established diesel repair shop, located in Salt Lake City, with excellent freeway access. The business provides an array of services for large trucks and trailers. They service engines, transmissions, transfer cases, differentials, rear ends, electrical and computer systems, brakes, and more. It has an excellent reputation and more work than they can handle. The business still has great potential for further growth. The current owners are ready to move on and know that this is an excellent opportunity for an energetic entrepreneur to take this company to the next level. The seller is willing to stay on during a reasonable transition period. The real estate is also available. Inquire today to learn more about this profitable opportunity.
