For Sale: A very profitable recycling business in Northern Utah. This business is involved in efficiently collecting and profitably recycling some of the waste product we are all guilty of producing on a regular basis. They have developed and implemented a great business model to collect raw materials, efficiently process them, and profitably sell their end products resulting in a very profitable and sustainable business with huge upside potential.

To learn more about this business, please go to our website, [www.bbaUtah.com](http://www.bbaUtah.com), and complete our online NDA. Once we receive it we will be happy to email you all the details. You can also call Paul Evans, Beehive Business Alliance, 801-703-6789
