Apt 1
Toronto ON M4L 2L1

Dear Mr. Theriault,

It is my pleasure to inform you that the Institute of Engineering Technology of Ontario (IETO) Board of the OACETT has approved your application for registration. Your name has been recorded in the OACETT Register as of December 15, 2003 as:

**Certified Technician
Building - Building Design**

I would like to extend my personal congratulations to you on your registration and welcome you to your Association. Membership in a professional Association is an important step in the pursuit of your chosen career. Your certificate will be mailed to you within six weeks and I encourage you to display it proudly at your place of business. (Please note that your certificate will show your legal name). In the meantime, this letter will serve as verification of your status.

Your membership in OACETT carries benefits as well as responsibilities. Not only does OACETT offer you a means of personal professional development, but, by participating in Association affairs, you will be strengthening the very organization that speaks for you. Your OACETT Chapter is Toronto Central and we encourage you to contact the Chair of your chapter for information on upcoming events in your area. Please refer to the enclosed chapter contacts or you may call OACETT's member services department for further details.

Please assist us in maintaining accurate records by advising us of any changes to your business or residence information. If you have any questions or concerns regarding your registration, please contact one of the IETO Co-ordinators.

Yours truly,

Sam DiGiandomenico
Registrar

Dear Mr. Theriault:

Re: Examination for Accreditation

On behalf of Council and the Certification Board I would like to congratulate you on your successful completion of the Accreditation program. You have now earned the privilege to our protected title Architectural Technologist and may use the letters 'MAATO' after your name. Accreditation also grants you voting rights on all Association business. Your membership number is now **TG-1256**

Your name will be printed on your Accreditation certificate as shown above.

Accredited Architectural Technologists are entitled to apply for a stamp provided they are carrying professional liability insurance. If you require information on the insurance available, please contact Lois Starr at Sinclair-Cockburn Insurance Brokers at 416-494-7700. A stamp can be ordered for you on receipt of a copy of the insurance acceptance document.

Accredited Architectural Technologists carrying insurance can also be listed on the Association's Availability Listing. This list is available to the public via Trade Shows, on our website or on request from our office. If you are interested in having your name included, please provide a copy of your insurance acceptance document, together with a business card.

We encourage you to participate in your Association's activities and look forward to your continued involvement with the Association. Once again, congratulations.

Sincerely,

Mario Pecchia, MAATO
President
