

Spiritual Maturity

Class Topics

- What is Christian spiritual growth? What's the process and the goal? How can I prepare the soil to sink my spiritual roots deep into Jesus Christ.
- The Bible. Is it reliable? How can I trust that what it says is what God intended? What treasures are there and how do I find them?
- What is Biblical meditation and prayer? How it utilizes our whole mental resources for spiritual growth. What are the Biblical examples and rich results?
- How Christianity compares to other world religions and philosophies. Do all religions lead to God? Understanding Who the Biblical God is, His power, splendor and creative majesty.
- Why do bad things happen to good people? How can a good God allow evil and suffering. How to engage with God's presence through suffering and adversity.
- Has science proven the Bible wrong and existence of God false. What evidence is there in the observable world that could strengthen our faith? What is a Biblical world view?
- Spiritual warfare. Understanding who satan is, how he operates in the world and what are his limitations. How the devil attacks people and how to respond to such attacks.
- How to receive the supernatural resources God provides for spiritual growth and everyday life. Galatians 5:22-23, the fruit of the Spirit and other resources.
- What does it mean to love God with all your heart, mind and strength and to love your neighbor as yourself? How to do it? What are the results?
- How have so many churches and Christians gotten Christianity so wrong? How did it become performance-based religion with judgementalism and hypocrites?
- What's a Christian to do in a world/culture that promotes lifestyles that contradict Biblical morality? How do we relate to people who are making lifestyle choices that violate Christian values?
