

Welcome at the Market!

Northbrook Farmers Market welcomes dogs at the market. For the safety of all, we ask that you follow these guidelines:

Be certain your dog is farmers-market appropriate. Dogs that have a history of fearfulness or aggressiveness toward other dogs or people should stay safely at home.

Keep your dog on a short leash close to your body. Retractable leashes are never a good idea as they allow too much freedom and may lead to trouble.

Be respectful of people who may not like dogs.

If your dog is not kid-friendly, make sure you do not allow your dog near children.

Be mindful of toddlers who may excitedly race up to pet the dog. Ask the parents to teach their youngsters to ask if it is okay to pet the dog.

(continued on reverse side)

Welcome at the Market!

Do not allow your dog to approach other dogs. When dogs are on-leash, they feel more stress and may react in unanticipated ways.

Watch your dog for signs of stress: yawns, licks mouth, body shakes, drools, raises hackles, paces, pants heavily, lowers head, tail between legs.

Please keep your dog from sniffing, licking, or tasting products on vendor tables.

It is your responsibility to maintain control of your dog; the best way to do this is to be aware of your dog at all times.

By following these guidelines you will help everyone succeed and help keep dogs Welcome at the Market.
