

Friends of Northbrook Farmers Market Membership Form

Who are the Friends of Northbrook Farmers Market?

We are a group of people who love our local farmers market (we call ourselves Onion Heads for short and for fun!), and are dedicated to helping it thrive in our community.

Onion Heads work to increase public awareness of the farmers market and all that it brings to the greater Northbrook community; namely, the economic, health, and social benefits of having a weekly farmers market in the heart of our community.

All that you need to be an Onion Head is a willingness to learn and to pitch in.

We promote the Farmers Market in the following ways:

- Regularly posting to multiple outlets during the season
- Tabling opportunities at various community events
- Helping plan and execute our own special event days
- Displaying banners, car magnets, and yard signs
- Wearing your coveted and free Onion Head t-shirt to advertise the market
- Inviting friends and family to come to the market
- Talking up the market at other gatherings and events you attend

In return you will have our undying gratitude, and you will NOT be asked for money or to do any fundraising for the organization.

Start by reading our website at www.NorthbrookFarmersMarket.org to learn what we are all about. (There will be a quiz your first week on the job). LOL!
