WHEN I WAS young, I admired clever people. Now that I am old, I admire kind people!

INSTANT NICE PERSON... JUST ADD COFFEE.

TREAT EVERY DAY LIKE IT'S YOUR LAST. YOU WILL ENJOY IT MORE.

THOUGHT FOR THE DAY

As one ages, it is important to remember which pocket has the pills and which pocket has the change. Yesterday I felt a heart pain and took 3 nickels!

My friend wrote that it was snowing really hard in Wyoming. The snow was already waist deep. And still falling. All his wife could do is stand at the window and stare. He said if it got much worse, he'd have to let her in.

The preacher was wired with his sound equipment. He moved briskly from side to side, jerking the microphone cord as he moved. After several circles and jerks, a little girl in the third Pew leaned toward her mom and whispered, "If he gets loose will he hurt us!"

A grizzled old man being in a truck stop when 3 motorcycle bullies walked in. The first walk to the old man pushed his cigarette into the man's pie, and then took a seat at the counter. The second walked up to the old man spilled his milk and then he too took a seat at the counter. The third walked up to the old man turned over the old man's plate and then he took a seat at the counter. Without a word of protest, the old man quietly left the diner. "One of the bikers said to the waitress, "Humph, not much of a man, was he?" She replied, "Not much of A truck driver either. He just backed his big rig over three motorcycles!"

A man walking along the road saw an Indian with his ear to the ground. He went over and listened. The Indian said large wheels, Ford pickup truck, green color." Man driving with police dog beside him. Traveling about 75 mph." The man was amazed and said, "you can tell all that just by listening with your ear to the ground?" "Ear to the ground nothing," the Indian said, "that truck just ran over me."

From his bedroom window, the old guy Fred could see the light on in his shed and a couple of thieves carrying all his stuff out to a car. They called the police, only to be told that there was no one available to send over right now. "Just lock your doors," they said. Fred hung up. He counted to 30 then called back, "hello I just called to report that I'm being robbed. Well, you don't have to worry. I just shot them, and the dogs are chewing on the bodies". Within 5 minutes, 6 police cars a swat team and an ambulance show up, catching the burglars red handed. "I thought you said you shot them", the Sergeant exclaimed." I thought you said there was no one available!" Fred replied. The moral of the story: don't mess with old people!

A Man's Perspective: I know I'm not going to understand women. I'll never understand how you can take boiling hot wax, pour it onto your upper thigh, RIP the hair out by the root, and still be afraid of a spider!

Sure, you can lead a horse to water; most folks can... But if you can get him to float on his back, then you've really got something!

An 80-year-old man went to the doctor. When asked the reason for his visit, he said, "There is something wrong with my privates." The receptionist became irritated, "you shouldn't come into a waiting room and talk about your privates!" "Why not?" he spoke. "You asked." "Well, she answered. "You should have said something's wrong with my ear, or something like that." "OK," so he left and shortly came back. He walked up to the desk and said, "I need to see the doctor because there is something wrong with my ear." Satisfied, the receptionist smiled and asked, "and what is wrong with your ear?" "I can't pee out of it," the old man said. The whole reception room burst out laughing. You can't mess with old people!

I passed a flock of sheep on the bus today. Why they were on that bus, I don't know.

A couple are lying in bed. The man says, "I am going to make you the happiest woman in the world"... the woman replies, "I'll miss you."

As time goes by, inside every older person, there's a young person wondering what happened!

I saw homesick snowbird in Scottsdale AZ the other day. He had a bumper sticker on the back of his car that read, "I MISS CHICAGO!" Someone broke the window, stole the radio, shot out the tires, and left a note that read, "I HOPE THIS HELPS!"
