Fall and Winter Camps Available!

**A study has revealed** that a woman's preference for male facial features change with her cycle. When she is ovulating, she prefers men with rugged masculine features. When she is in her period or in menopause, she often prefers a man trapped in a locked shed filled with angry bees, duct taped to a broken washing machine and listening to Hard Rock. Further studies on this subject have been paused indefinitely.

**Very proud of having** walked around with him for the first time, Daddy's Little Angel couldn't wait to tell everyone about it. "My father is the best golfer in the whole world, she claimed he can play for hours and hardly ever lets the ball go into those tiny little holes."

**"Mildred, shut up,"** cried the golfer at his nagging wife. "Shut up or you'll drive me out of my mind". "That, snapped Mildred, "wouldn't be a drive, that would be a putt!"

**My kids said they** wanted to go to an escape room, so I locked them in their bedrooms with a Rotary phone, analog TV, a remote control, and written instructions on how to escape in cursive. It's been 3 days and 18 hours and 47 minutes since I've seen them.

**I think my fellow** EMT's rely too heavily on abbreviation when they write their reports. One read: "Medic broke wind and entered residence."

**A man pleaded** with the psychiatrist, "you've got to help me. It's my son." "He's always eating mud pies; I get up in the morning and there he is in the backyard eating mud pies. I come home at lunch, and he is eating mud pies, I come home at dinner and there he is in the backyard eating mud pies again." The psychiatrist reassured him, "give the kid a chance. It's all part of growing up. Take my word for it, it'll pass. "Well, I don't like it and neither does his wife!"

**I had a seance in order** to contact my grandfather. I tried for four hours and then realized he wasn't dead. So, I called him on the phone, and he said, "I don't know what's wrong; My phone's been ringing all day!"

**The latest statistical** survey of golfer's height, conducted on behalf of a major sportswear company, reveals that the average player is seldom as tall as his story.

**A woman walked up** to a little old man rocking in a chair on his porch. I couldn't help noticing how happy you look," she said. "What's your secret for a long happy life?" "I smoked 3 packs of cigarettes a day," he said. "I also drank a case of whiskey a week, eat fatty foods and never exercise." "That's amazing," the woman said. "How old are you?" "Twenty-six," he said.

**The couple in their 60s** are on their second honeymoon, reminiscing about the good old days when they were newlyweds. Full of nostalgia the wife says, "do you recall how you used to nibble on my earlobes?" "Yes," replied her husband. "Well, why don't you do it anymore?" "Because by the time I put my teeth in the urge is gone!"
