I was thinking of organizing my own 'Smokers Right March on Washington. I'm serious. Get a bunch of us smokers down there and we'll march from the capital down to the monument. Well, OK, we probably wouldn't get that far. But we chant, "we're here, we're COUGH, COUGH, COUGH. Well, they'd know what we meant.

It's like magic. When you live by yourself, all your annoying habits are gone.

I just recently had my Visa card stolen. Now it's everywhere I want to be.

I have never been shaved by a Barber, but I know guys who have. I was at a shop once where the new barber had nicked my friend several times. In an effort to smooth things over, the barber asks, "Do you want your head wrapped in a hot towel?" "No Thanks," the man told the Barber, "I'll carry it home under my arm!"

When a woman applies for a job at a citrus Grove, the foreman asks, "do you have any experience picking lemons?" "Well, I've been divorced three times."

Adam returned home one night, and Eve confronted him at the door. "You're seeing another woman, aren't you?" She accused. "Don't be silly," he replied, "You're the only woman on earth." Later, while half asleep, Adam felt a tickle on his chest. "What are you doing?" he asked Eve. She looked at him, "Counting your ribs!"

After several hours the man of the bar was so drunk that he began to slump over onto the people beside him. in no uncertain terms the bartender told him he'd had enough and had to leave!" "Had 'nuff, huh?," the man said. Noticing a cat walking across the room, he said, "I can prove I isn't drunk. See that cat coming in the door? Well, she only has one eye." "You're drunk, all right," the bartender said. "That cat's leaving."

"Give a man a fish and he has food for a day; Teach him how to fish and you can get rid of him for the entire weekend!"

The judge admonished the witness, "do you understand that you have sworn to tell the truth?" "I do," The man answered." Do you understand what will happen if you are not truthful?" "Sure!" said the witness. "My side will win!"

When our lawn mower broke, my wife kept hinting to me to have it fixed. Somehow something else I needed to do, always kept me too busy. To make her point, one day when I came home from work, I found my wife seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time then went into the house, and when I came out again, I handed her a toothbrush, "When you finish cutting the grass, you might as well sweep the driveway." The doctors say I'll walk again, but I'll always have a limp.

A blonde man walks into a Dunkin Donut store. He says, "Excuse me miss, how many cups do you think this thermos will hold?" "I think it's a seven-cup thermos," she says. "All right then... Give me two black and three with cream and sugar!"

Q: How did the Polish guy get hurt raking leaves.
A: He fell out of the tree.

It's so simple to be wise. Just think of something stupid to say, then don't say it.

Nabisco announced recently that it's coming out with a new bite- size Oreos that are easier to eat. How lazy are we getting in this country when people are too exhausted to eat Oreos? Who eats an Oreo and goes, "Let me wrap the rest of this up. I wish they were smaller."

I was never an athletic kid. One year I played Little League baseball and my dad was the coach. Halfway through the season he traded me to another family.

THOUGHT
FOR THE DAY

The teacher asked Tommy
to stand up and say the alphabet.
When he was done the teacher said,
"you left out a letter. Where's the
'P'?" "Running down my leg", he
said looking embarrassed.

You only need 2 tools in
life: WD-40 and Duct Tape. If it
doesn't move and should, use the
WD-40. If it shouldn't move and
does, use the Duct Tape.

After his marriage broke up, my manager
became very philosophical. "I guess it was in
our stars, he sighed." "What do you
mean?" I asked. "Her astrological sign
is the one for earth. Mine is the one
for water. Together we made mud!"
