

# Attention Medical Providers

## Grant Funded

## Assistive Technology Devices and Training for Your Patients

Bridge is a FREE program providing assistive technology to people of all ages with a documented disability.

### PATIENTS RECEIVE:

- Up to \$1900.00 in Assistive Technology (AT) to support their specific needs
- AT can be high tech or low tech
- Devices installed in up to two locations, i.e.: home and school/work
- AT Specialist that evaluates and works with your patient
- Letter of medical necessity not required
- Training on the use of the device
- Digital literacy to navigate today's tech-driven world

### TO QUALIFY:

- Have a documented disability
- Reside in Lewis, Mason, or Grays Harbor County
- Live in a low-moderate income household
