

BREEDER AWARDS PROGRAM

Purpose:

1. To encourage members of Bluegrass Fish Keepers Association to breed aquatic life.
2. To share information concerning their spawning and rearing.
3. To make available to the hobby a wider variety of fishes
4. To recognize achievements by members concerning the breeding of aquatic life
5. To promote greater participation by members of BFKA.

ADMINISTRATION:

1. A BAP Committee consisting of a BAP Chairperson, appointed by the President and up to 2 additional members appointed by the BAP Chairperson shall administer the BAP.
2. The BAP Chair shall set up and maintain a record system containing all pertinent data, along with a file of spawning reports submitted. The BAP Chair shall be responsible for preparation and presentation of awards and for submission to the editor for publication, in the newsletter.
3. The BAP Chair shall be responsible for the placement of fish into point classifications, and shall maintain a list of these classifications to be posted. From time to time it may be necessary to reclassify certain species. In case of reclassification, all previously reported spawnings shall receive the current point value. Nomenclature will be determined in accordance with the most complete reference available.
4. The BAP Chair shall keep a record of participating members' points totals, to be published at least once a year.
5. All decisions of the BAP Committee relating to this program shall be final and binding.

Rules:

1. Participants must be BFKA members in good standing.
2. Points will be awarded only once for each species spawned.
3. Parents of fry must be owned by the member.
4. Fish not listed in the classification will be evaluated and assigned to a class by the BAP coordinator and/or the Board.
5. The BAP coordinator may alter any of the program regulations or classifications in order to maintain the quality of the program, or to resolve unforeseen problems.
6. In order to defray the cost of awards and to spread various species through the club, 6 fry from each spawn are to be donated to the club in accordance with current auction rules for auction to club membership.
7. Donation skip: In the case of very rare, valuable, or non-prolific species, a member may turn in the spawning paperwork and not donate any fry under the following conditions:
 - a. It can only be utilized once per year per member.
 - b. The member must have donated fry from at least 5 spawns in the same year prior to the skip.
 - c. It cannot be applied to commonly bred fish.

- d. It will only apply to 15 or 20 point species.
 - e. An article or short presentation about the spawn will be required.
8. All spawning reports must be submitted upon approved BAP forms to the BAP Chair for verification.
 9. Hybrids of any type are not allowed, with the exception of established domestic livebearer species.

AWARD LEVELS:

General, 50 points

Intermediate, 100 points

Advanced, 250 points

Senior, 500 points

Master, 750 points

Senior Master, 1000 points

Grand Master, 1500 points

A Star is added to title of Grand Master for each 1000 points earned above Grand Master

Bonuses:

1st club spawn of a species, genus, or family is awarded 5 points for each.

Class award is awarded when someone completes the set number of species from that class.

SPECIALIZED BREEDERS PROGRAM

A breeder can earn points in this section that shall remain separate from BAP points. Points in this section can only apply to the category they are earned.

1. Fancier. 25
2. Consultant. 50
3. Specialist. 100
4. Authority. 200
5. Expert. 400

Species specific

1 Points for the first successful spawn of a year following an initial BAP award or consecutive year following this award.

1 Points for each color variety

1 Points for each finnage variety

5 bonus points for 1st of any above recorded for the Club.

Must meet below criteria to be eligible for class awards.

1. Class 1: Livebearers – 6 species
 - a. 5 point: *Brachyrhaphis rhabdophora*, *Heterandria* sp., *Gambusia* sp., *Poecilias* (guppy & molly types), *Xiphophorus* (swords, platys, and variatus), and All other Livebearers not listed in other point groups
 - b. 10 points: All species in family Goodeidae, *Belonesox*
 - c. 15 point: halfbeaks
 - d. 20 points: *Ataeniobius toweri*, plus All species with published brood records of less than 10 fry including: *Allodontichthys tamazulae*, *Brachyrhaphus holdridgei*, *Gambusia alvarezi*, *Poecilia melanazona*, *Poecilia turneri*, *Poeciliopsis prolifica*, and *P. turraburensis*.
2. Class 2: Anabantoids – 5 species
 - a. 5 points: *Macropodus opercularis* (paradise fish, all varieties), *Trichogaster trichopterus* (all varieties such as 3 spot, blue, gold, Cosby and opaline gouramis)
 - b. 10 points: *Betta picta*, *Betta splendens*, *Trichogaster leeri* (pearl gourami), *Colisa* sp. (dwarf blue gouramis, neons, and giant gouramis).
 - c. 15 points: All species from genus *Macropodus*, except those listed in other point groups. All species from the genera *Belontia* and *Trichopsis* (croaking gouramis). All wild Bettas such as *Betta smaragdina*, *Betta unimaculata* and all other Anabantoid species not listed in other point groups.
 - d. 20 points: Bettas in the coccina complex (coccina, tussyae, brownorum, livida, persephone, miniopinna, burdigala, rutilans) *Helostoma temmincki* (kissing), *Ctenopoma*, Chocolate Gouramis, *Parosphromenus* sp. (licorice & related sp.).
3. Class 3: Barbs – 5 species
 - a. 5 points: None
 - b. 10 points: All barbs not listed in other point groups, including *Puntius sachsi* (gold barb), *Capoeta oligolepis* (checker barb), and *Capoeta tetrazona* (tiger barb).
 - c. 15 points: *Barbodes everetti* (clown barb), *Puntius filamentosa*, *Capoeta arulius*, Goldfish, Koi, Gudgeons
 - d. 20 points: *Barbodes lateristriga* (spanner T barb), and Any African barb species such as *Barbodes fasciolatus*, *Barbodes macrops*, *Barbodes kerstenii*, and *Barbodes trispilos*, *Barbodes schwanenfeldii* (tinfoil barb)
4. Class 4: Rainbowfish – 5 species
 - a. 5 points *Melanotaenia splendida* (including all subspecies such as *inornata* and *rubristriata*)
 - b. 10 points All species of the genera *Glossolepis*, and *Pseudomugil*, *Bedotia geayi* (madagascar rainbow). All *Melanotaenias* sp. not listed elsewhere. *Telmatherina ladigesi* and *Chilatherina heikobleheri*
 - c. 15 points All rainbowfishes not listed elsewhere
 - d. 20 points *Pseudomugil tenellus*

5. Class 5: Rasboras and Minnows – 6 species
 - a. 5 points: All minnows from genera *Danio* and *Brachydanio*, *Tanichthys albonubes* (white clouds)
 - b. 10 points: None
 - c. 15 points: All minnows not listed elsewhere, *Rasbora trilineata* (scissortail rasbora), and *Rasbora borapetensis* (redtailed rasbora)
 - d. 20 points: All species of Rasboras not listed in other point groups
6. Class 6: Characins – 5 species
 - a. 5 points
 - b. 10 points *Copeina* sp.,
 - c. 15 points. Pencil fish, Headstanders
 - d. 20 points neon tetra, cardinal tetra, Hatchetfish, Silver Dollars, *Leporinus*
7. Class 7: Cichlids – Old World – 6 species
 - a. 5 points: All mouthbrooders from genera *Sarotherodon*, *Hemihaplochromis*, *Tilapia* mouth brooding, plus *Haplochromis burtoni* and other closely related *Haplochromis* species, *Badis badis*
 - b. 10 points: *Steatocranus casuarius*, all mouthbrooding species from Lake Malawi and Victoria, *Pelvicachromis*, *Julidochromis*, all substrate spawning African and Asian cichlids except those listed in other point groups, *Neolamprologus*, *Tilapia* (non-mouthbrooding)
 - c. 15 points: *Etroplus maculatus*, *Haplochromis moorii*, all species from genera: *Lamprologus*, and *Steatocranus*, (except those listed in other point groups), *Anomalochromis*, *Nannochromis*, all substrate spawning species from Lake Tanganyika, *Chromidotilapia*
 - d. 20 points: *Etroplus suratensis*, *Teleogramma* sp., (except those listed in other point groups), and all mouthbrooding species from Lake Tanganyika, *Chromides*
8. Class 8: Cichlids – New World – 6 species
 - a. 5 points: Convict cichlids
 - b. 10 point: Angels, South American Cichlids, *Geophagus*, *Aquidens*, Fire mouths
 - c. 15 points: *Aistogramma*, *Urau*, *Cichlasoma*, *Microgeophagus*, *Crenicara*, Oscars
 - d. 20 points: Discus
9. Class 9: Killifish – 5 species
 - a. 5 points: *Fundulopanchax gardneri*; *Aphyosemion australe*; *Epiplatys dageti*
 - b. 10 points: American Flag fish (*Jordanella*), Killifish not listed in any other group
 - c. 15 points: *Aphanius anatoliae*, *transgrediens* *Aphyosemion abacinum*, *bamilekorum*, *cameronense*, *chauchei*, *cyanostictum*, *ferranti*, *fulgens*, *georgiae*, *halleri*, *maculatum*, *mimbon*, *obscurum*, *ocellatum*, *pascheni*, *passaroi*, *raddai*, *schluppi*, *seegersi*, *wachtersi*, *zygaima* *Aplocheilus blockii* *Archiaphyosemion maesenii* *Austrolebias carvalhoi*, *melanoorus* *Callopanchax*

10. Class 10: Catfish – 4 species

- a. 5 points:
- b. 10 points bristle nose plecos

- c. 15 points Corydoras, Otocinclus
- d. 20 points: Synodontis, Sucker mouth Cats

11. Class 11: Loaches and other fish– 1 species

- a. 5 points:
- b. 10 points:
- c. 15 points:
- d. 20 points: Pantodon, Glass fish, Arowana, Eels, Knife fish, Loaches, Elephant Nose,Bichirs, ropefish

12. Class 12: brackish/Marine fish and Invertebrates – 1 species

- a. 5pt
- b. 10pt
- c. 15pt gobies,
- d. 20pt Anableps, Marine Damsels, clown fish,Bumblebee Goby, Monos, Scatophagus, Archer fish, mud skippers, puffers, Rays, Sharks, SeahorsesClass

13. 13: Ornamental Freshwater Invertebrates – 4 species

- a. 5 points: neocaridina, mystery snails, Planorbidae family,
- b. 10 points: caridina, crab sp., crayfish sp.
- c. 15 points:
- d. 20 points:

14. Class 14: Cultures

5 points (max 25 points)

This class is reserved for all cultivable organisms that provide food to aquatic inhabitants for breeding and raising to adulthood. Examples would include nematodes, brine shrimp, and worms.
