President's Message

Warm weather is here so our minds go to ponds and tubs. We have lots of outdoor activities and outings taking place. It is usually a slow time for the hobby and aquarium clubs. It seems like things keep hopping around here swaps and events popping up all over and this year we have in our backyard yard an event like never before as the Louisville club hosts 4 national aquarium conventions all at once in what is being referred to as The Aquatic Triple Crown. I am so glad to see fish events and things come back after the pandemic had us shut down for so long. I am very proud of our club that we were able to hold on, grow and develop throughout all of it.
