# DAVIS WOODS

To better communicate with our Davis Woods community, our current Davis Woods Condo Association Board has;

1. updated our website ([daviswoods.com](http://daviswoods.com));
2. gathered email addresses for quick updates on important information, and;
3. created this newsletter! This Davis Woods newsletter will be published September, January, and May and will be available on the website as well as sent to all owners by email.

We start by recognizing our previous Davis Woods Board members.

Fred Jasinski

Thank you for the time you dedicated to completing our building repair project. This was no easy task, but it was made even more difficult due to the challenges facing everyone during the Covid-19 pandemic.

Our sincere thanks to all of you.

Many people go above and beyond in serving our community. One such person is Fred Jasinski. From what we can determine, Fred served as a Davis Woods Condo Association Board member for 16 years! Fred used his gifts to serve most of those years as the Treasurer.

Coming here each season from Merrimack, NH, Fred worked as a Plan Controller for International Paper Company for 34 years. In addition, as a 37 year old, he began serving as an umpire for high school baseball and softball and eventually on to umpiring for international and college level teams. All together he served as an umpire for 25 years.

For his dedication Fred was recently inducted into the Baseball and Softball Hall of Fame for umpires.

As if that wasn't enough, he also managed to referee volleyball for 20 years and coached American Legion baseball for 15 years. It is no wonder he was willing to continue his service to Davis Woods after retiring.

Fred and his wife Judy have been married 66 years and are one of the first owners here at Davis Woods. They are parents of five children with seven grandchildren and six great grandchildren. They are an important part of our community.

Thank you Fred for all of your service to us!

# POOL NEWS

It is no secret that our pool is probably the most valued part of Davis Woods. Nearly everyone enjoys relaxing and socializing around the deck of our pool and floating in the refreshing water.

Please keep that in mind when you are there and be respectful of those you share this space with.

## REPAIRS

This past Spring it was thought that the pool was leaking, thankfully, that was not the case. However, after countless hours of work it was found that the problems were related to the pump and drain system. Both of those issues are resolved, and the repairs have been completed.

In addition to the repairs, we want to let you know that we have contracted with a new pool company – Colonial Pool. They will provide us with more information on the daily upkeep on the pool and should help us identify problems before they become costly repairs.

One additional item – Our deck chairs have been repaired and we hope to continue repairs as needed.

## BEAUTIFICATION COMMITTEE

Last season a group of owners began planting flowers around our entrances to add color and beauty to the Davis Woods property. Thank you to them and hoping they will continue this effort next season.

If you would like to be a part of the Beautification Committee either by helping plant and water or by providing funds to purchase plants, contact Paul Panaro at [Pin149@aol.com](mailto:Pin149@aol.com).

# VOLUNTEER OPPORTUNITIES

## **SOCIAL COMMITTEE**

We look forward to seeing friends each season as we return to Davis Woods and this season we have many new owners to welcome. With Covid-19 hopefully behind us, we want to plan a few get-together events.
