

Property & Financial Affairs Deputyship Applications

We can act for you if you believe that a relative, friend or neighbour has lost capacity and you need to manage their financial affairs for them because their doctor has assessed them to be incapable.

We will complete the necessary application form and supporting documentation based on the information you provide. We will assist in you securing the required Security Bond. The Court determine how much the Bond should be for and this would be claimed upon in the event that you turn out to be a rogue and abscond with all the assets of the vulnerable person you are representing.

We will only charge the fixed fees set out by the Court of Protection £850 + VAT. [Solicitors Fees](#)

There are other costs payable to the court. An application fee of £385 although this is subject to means testing depending on the financial circumstances of the person you wish to help. Assessment of your suitability £100. There are also ongoing fees for the Court to supervise you and for looking at the Account you must submit annually.

We will walk you through the process.

The fees are payable out of funds belonging to the person you are helping.

Please telephone the office on 0161 443 1711 to make an appointment to see Tony Learoyd or email him on tonylearoyd@hargreavesgilman.com
