WHAT IS “ESP” ?

The Esports Saudi Program [ESP], is a collaboration between Tuwaiq Business Networks [TWQ] and Baz Esports Solutions [BAZ], to provide a comprehensive support and integrated services to esports and gaming companies and teams around **THE GLOBE to be served in Saudi Arabia**. This initiative aims to accelerate growth and ensure the sustainability of the regional esports industry by offering expert consultancy, robust governance, and tailored support services tailored to the unique needs of businesses in the sector.

VISION

To attain leadership in the consultancy and governance of e-sports, aligning with the goals of Saudi Arabia's Vision 2030.

MISSION

- 01 To **represent international esports and gaming companies** in the Saudi market, facilitating their entry and growth by navigating local business landscapes and establishing strategic partnerships.
This is related to TWQ ISI
- 02 To support **investment opportunities** within the esports industry by help soft landing in Saudi market or by connecting global investors with local talents and organizations, ensuring sustainable growth and development for all stakeholders involved.
- 03 To provide **total services to esports teams and gaming companies**, including legal support, training programs, governance, and operational management, ensuring they thrive in the competitive gaming environment while aligning with Saudi Arabia's Vision 2030.
