

END OF WELL DRILLING PERFORMANCE

Well# Win-N-6

Rig# S8

Tool: 6.0" SwR413-PDT1 reamer
Premium Drilling Tools

- Completed required eval scope with no issues
 - New PDT reamer showed reduction in high doglegs and provided safe working tension loads.**
- AiDriller model showed consistent drag in and out compared to the offset ~~XXXXXXXX~~ 5 which did not have the reamer.
 - Note: ~~XXXXXXXX~~ 5 had a larger step out.
