Presents a Virtual Wildlife Conference  
**February 20, 2021**  
**9am-5pm**

Hosted via Zoom through a partnership  
with Partners for Wildlife

Sponsored by Skedaddle Humane  
Wildlife Control

We hope you and your loved ones are staying healthy during this challenging time. The Covid-19 pandemic has changed so many things but it has not changed the need for the services provided by wildlife rehabilitators. And for so many of us, it has even increased the need. We know, now more than ever, that wildlife rehabilitation is an essential service!

While we know we can't meet for our annual conference in person for the personal health and safety of all of us – we can still meet virtually! We are very excited to be able to bring you this online learning opportunity geared specifically for Wisconsin wildlife rehabilitators. This is a perfect time to spend a day with each other online, to connect with your fellow Wisconsin rehabilitators, and get some continuing education credits!

Since this is our first time hosting an online conference (and possibly your first time attending one), we're sticking to a refined, but still high-quality schedule to help prepare you for what 2021 will bring us. We're working to make this conference as stream-lined and as easy of a process for

you to access the presentations and materials as well. To access the online conference, you do need to have an email account and a device that can access Zoom. And that's it! Your device could be a computer, laptop, tablet, or even a smartphone. If your device doesn't have a camera – that is okay, you'll still be able to see the speakers even if they can't see you. And if your device doesn't have a microphone, no worries. There still is a "chat" option that you can type questions into to communicate with the speakers during the conference.

Hosting an online conference will absolutely be different, and we will miss seeing you in-person. However, our hope is that with the barrier of travel removed that we can increase accessibility to all WWRA members and the Wisconsin wildlife rehabilitation community. We also anticipate there may be out-of-state attendees!

Here's some other benefits:

- No time lost for travel
- No personal expenses for transportation
- No lines for the bathroom
- Lectures will be recorded – you can re-watch them, or view them at a later date for a limited time
- You can take breaks or even check in on your patients at any time!

We have a variety of speakers lined up with a broad reach of topics. A set schedule of speakers and topics will be posted at [www.wiwildlife.org](http://www.wiwildlife.org). Once registered, we will send you additional details via email.

- ✓ **IMPORTANT: All conference attendees MUST register in advance.** Unfortunately, we are unable to accommodate late or day-of registration requests. Please register no later than February 13<sup>th</sup>.
- ✓ The conference registration cost is \$20 to paid 2021 WWRA members. (Reminder! Education grants are available for members – apply today!)
- ✓ Membership for 2021 is \$20 for an individual, \$30 for a family, or \$500 for a lifetime membership.
- ✓ Convenient online registration and payment options available at [www.wiwildlife.org](http://www.wiwildlife.org).
- ✓ If you prefer to pay by check, your registration MUST be mailed no later than Feb 13<sup>th</sup>.
- ✓ All registered attendees will be entered in a special raffle for rehab supply gift certificates! Drawing winners will be announced during the conference!!!

We hope you can join us for this special online continuing education opportunity! We are looking forward to "seeing" you!
