TAI WEDDERBURN
ILLUSTRATOR & DESIGNER

PROFILE

Illustrator and character designer currently living in the Metro Atlanta area. 3-4 years of experience in work for student films and the indie animation & video game industries. Adaptable, organized, good at problem-solving, and works well in high-stress environments.

WORK EXPERIENCE

Colorist   2024
Mecha Force+Fix (SVA Thesis Film)

- Assisted with coloring animation using industry standard programs and techniques
- Discussed revisions with project director in a clear and respectful manner to finish all assigned shots on or prior to deadlines
- Performed assigned shots quickly and consistently and communicated any technical issues with project director

Character Designer, Background Artist   2022
Hard Reset (Animated Short)

- Provided character designs and explorations for both characters in short
- Contributed final background art for animated short with the guidance of lead animator's layout sketches
- Consulted with lead animator and lead writer for accuracy and revisions clearly and consistently

Character Designer, Storyboard Artist   2022
FSU CMPA 3D Junior Group Film

- Developed design for the main character with several rounds of revisions with classmates
- Worked in a studio setting with classmates to create characters with 2D and 3D industry standard programs
- Provided thumbnails and boards during film development

Illustrator & Background Asset Artist   2020 - 2021
Terrain of Magical Expertise (NEO-C Productions LLC)

- Contributed multiple rendered illustrations for game soundtrack
- Consulted with lead developer to create assets for backgrounds utilized in final game
- Discussed development and revisions with lead developer
