TAI WEDDERBURN

(HE/HIM)

PROFILE

Illustrator and character designer currently living in the Metro Atlanta area. 5-6 years of experience in work for student films and the indie animation & video game industries. Adaptable, organized, good at problem-solving, and works well in high-stress environments.

WORK EXPERIENCE

Storyboard Artist

2025

Reality Resort, *Episode 11*

- Worked with project director, storyboard supervisor, and wider storyboard team to deliver industry standard thumbnails and storyboards for 2D rigged cartoon
- Coordinated closely with animation team to design bespoke props for assigned scenes and assure smooth transition from the storyboarding to animation process
- Delivered storyboard shots and asset packages quickly, consistently, within deadlines, and kept a strong line of communication with supervising and lead roles to ensure that all revisions were accurate to the needs of the wider project

Storyboard Artist, Production Assistant

2024-2025

Exotic Escapade, *Episode 1*

- Provided thumbnails and boards during development
- Assisted project director in organizing staff, human resources, and project deadlines
- Performed assigned shots quickly and consistently and communicated any technical issues with project director

Colorist

2022

Mecha Force+Fix (SVA Thesis Film)

- Assisted with coloring animation using industry standard programs and techniques
- Discussed revisions with project director in a clear and respectful manner to finish all assigned shots on or prior to deadlines
- Performed assigned shots quickly and consistently and communicated any technical issues with project director

AFFILIATIONS

- QT in Animation
- Black N' Animated
