General Park Rules: All customers and visitors use the park facilities at their own risk.

1. **Speed limit is 5 mph** or less throughout the park. **Bicycles, golf carts, or scooters** are allowed only on park roadways. All must have lights to be used after dusk. Do not park or ride on grass or landscaping. For all vehicle accidents in the park, please call the police. **North Carolina law requires you to stop and call police if you are involved in a car accident that causes personal injury, death or property damage (includes a car).** Using a mobile phone, dial *HP for the Highway Patrol or (828) 438-6291. 2. Our park roadways are generally one way, especially for guests coming and going with their RVs. It generally applies to vehicle travel, too. However, if you're going to the Shop to see staff, returning from the bathhouse/laundry, or going to put something in the lockbox, you don't have to go out and come back in. You can go the opposite way, just always be careful of other traffic.. Our roads are mostly wide enough to pass another vehicle for the few times someone is coming the other way.

If you're pulling a trailer, car, etc. or if your RV has a long extension past the rear wheels, you may need to loop around the park to exit at the entrance. Our exit has a slope that might catch the back of your load.

3. You are permitted **one RV and two vehicles** per assigned site. Check with management if you need storage space for trailers or extra vehicles, boats, skidoos, etc., but they cannot be parked on your site.
