

HEALTH, SAFETY, AND ENVIRONMENTAL (HSE) POLICY STATEMENT

Bridge Technologies International Inc. is committed to maintaining high standards in health, safety, and environmental practices. We recognize that a responsible approach to these standards is essential for the well-being of our employees, contractors, suppliers, community and the environment.

We pledge to:

- Provide a safe and healthy workplace for everyone.
- Systematically identify hazards, assess risks, and establish effective controls.
- Comply with applicable laws and international standards.
- Adopt a positive safety culture through training, communication, and empowerment.
- Promote sustainability by minimizing environmental impact and conserving resources in all aspects of our business.
- Continuously improve our HSE performance through set objectives and regular reviews.

Every employee adheres to HSE standards, procedures, policies, laws, regulations, and requirements. We take pride in clearly communicating these standards across all levels of our company.

By fostering this commitment, we strive towards a proactive, safe, and eco-friendly work environment for all.
